Miraleste...
a calling to set traditions

To form a way of life

To express one's self

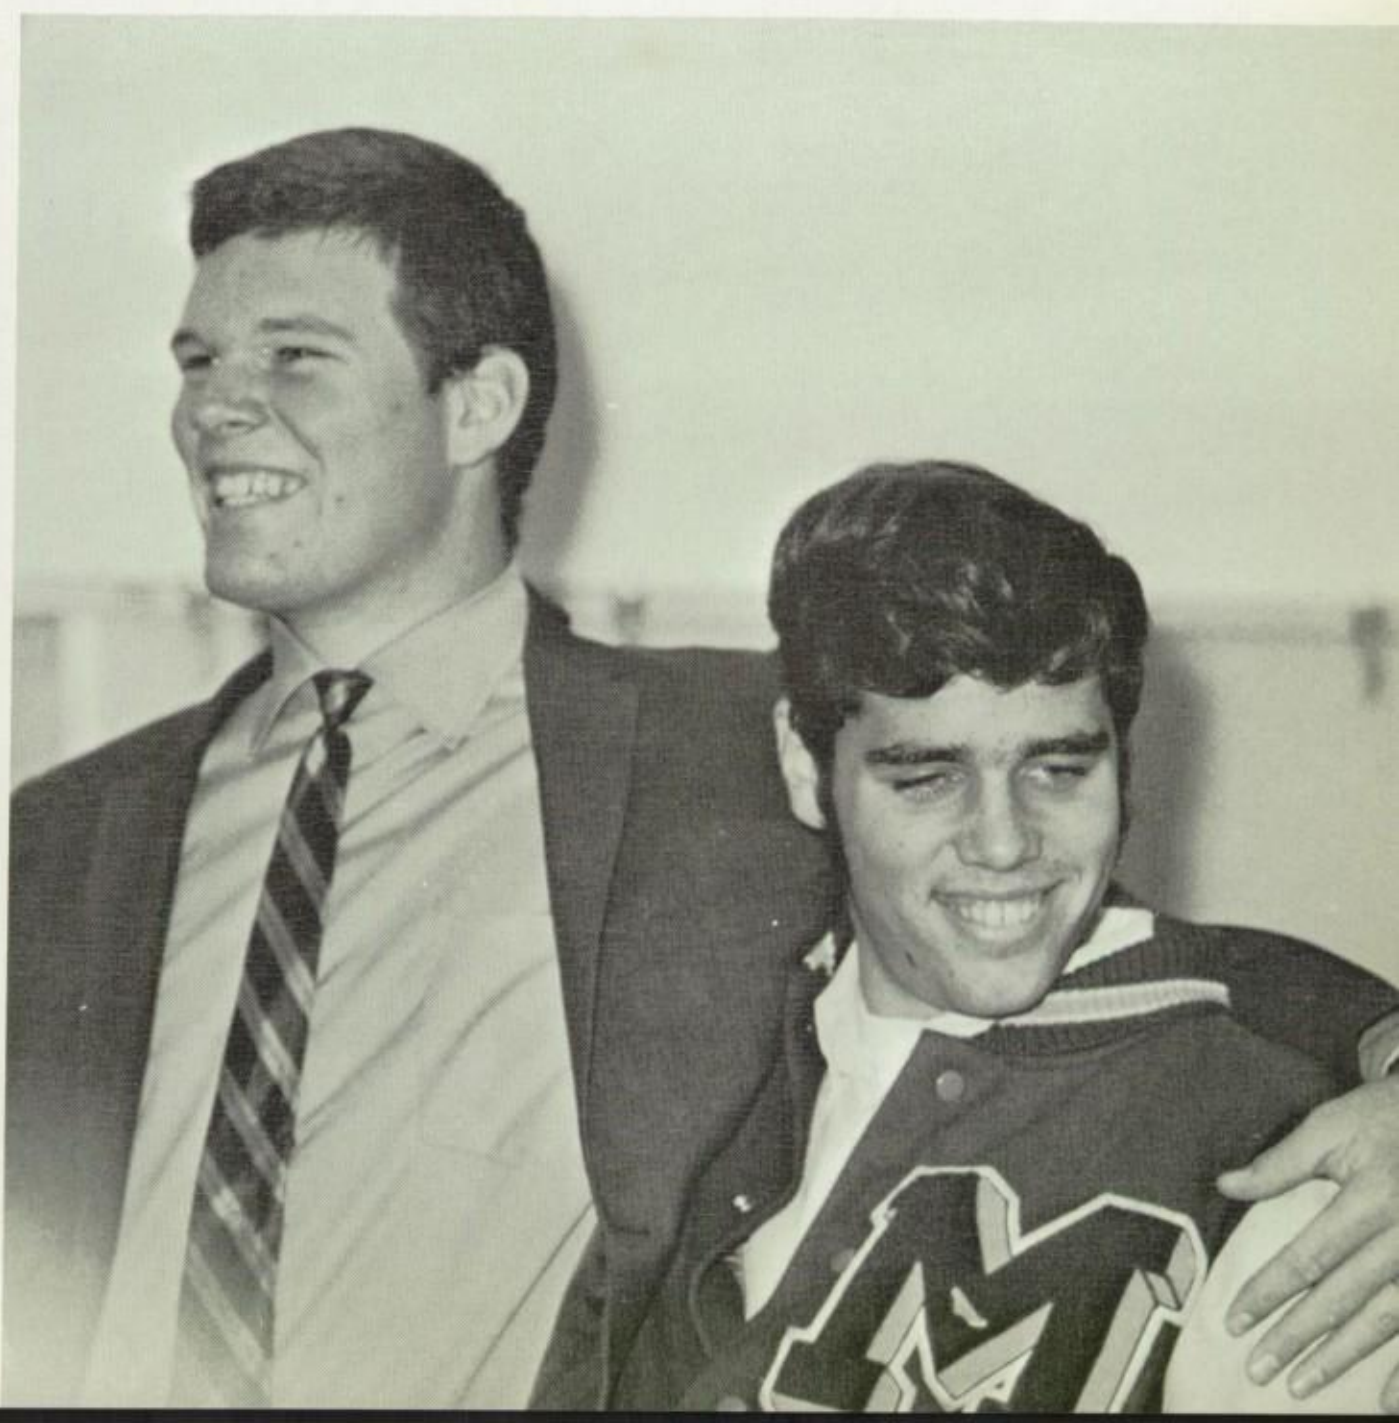

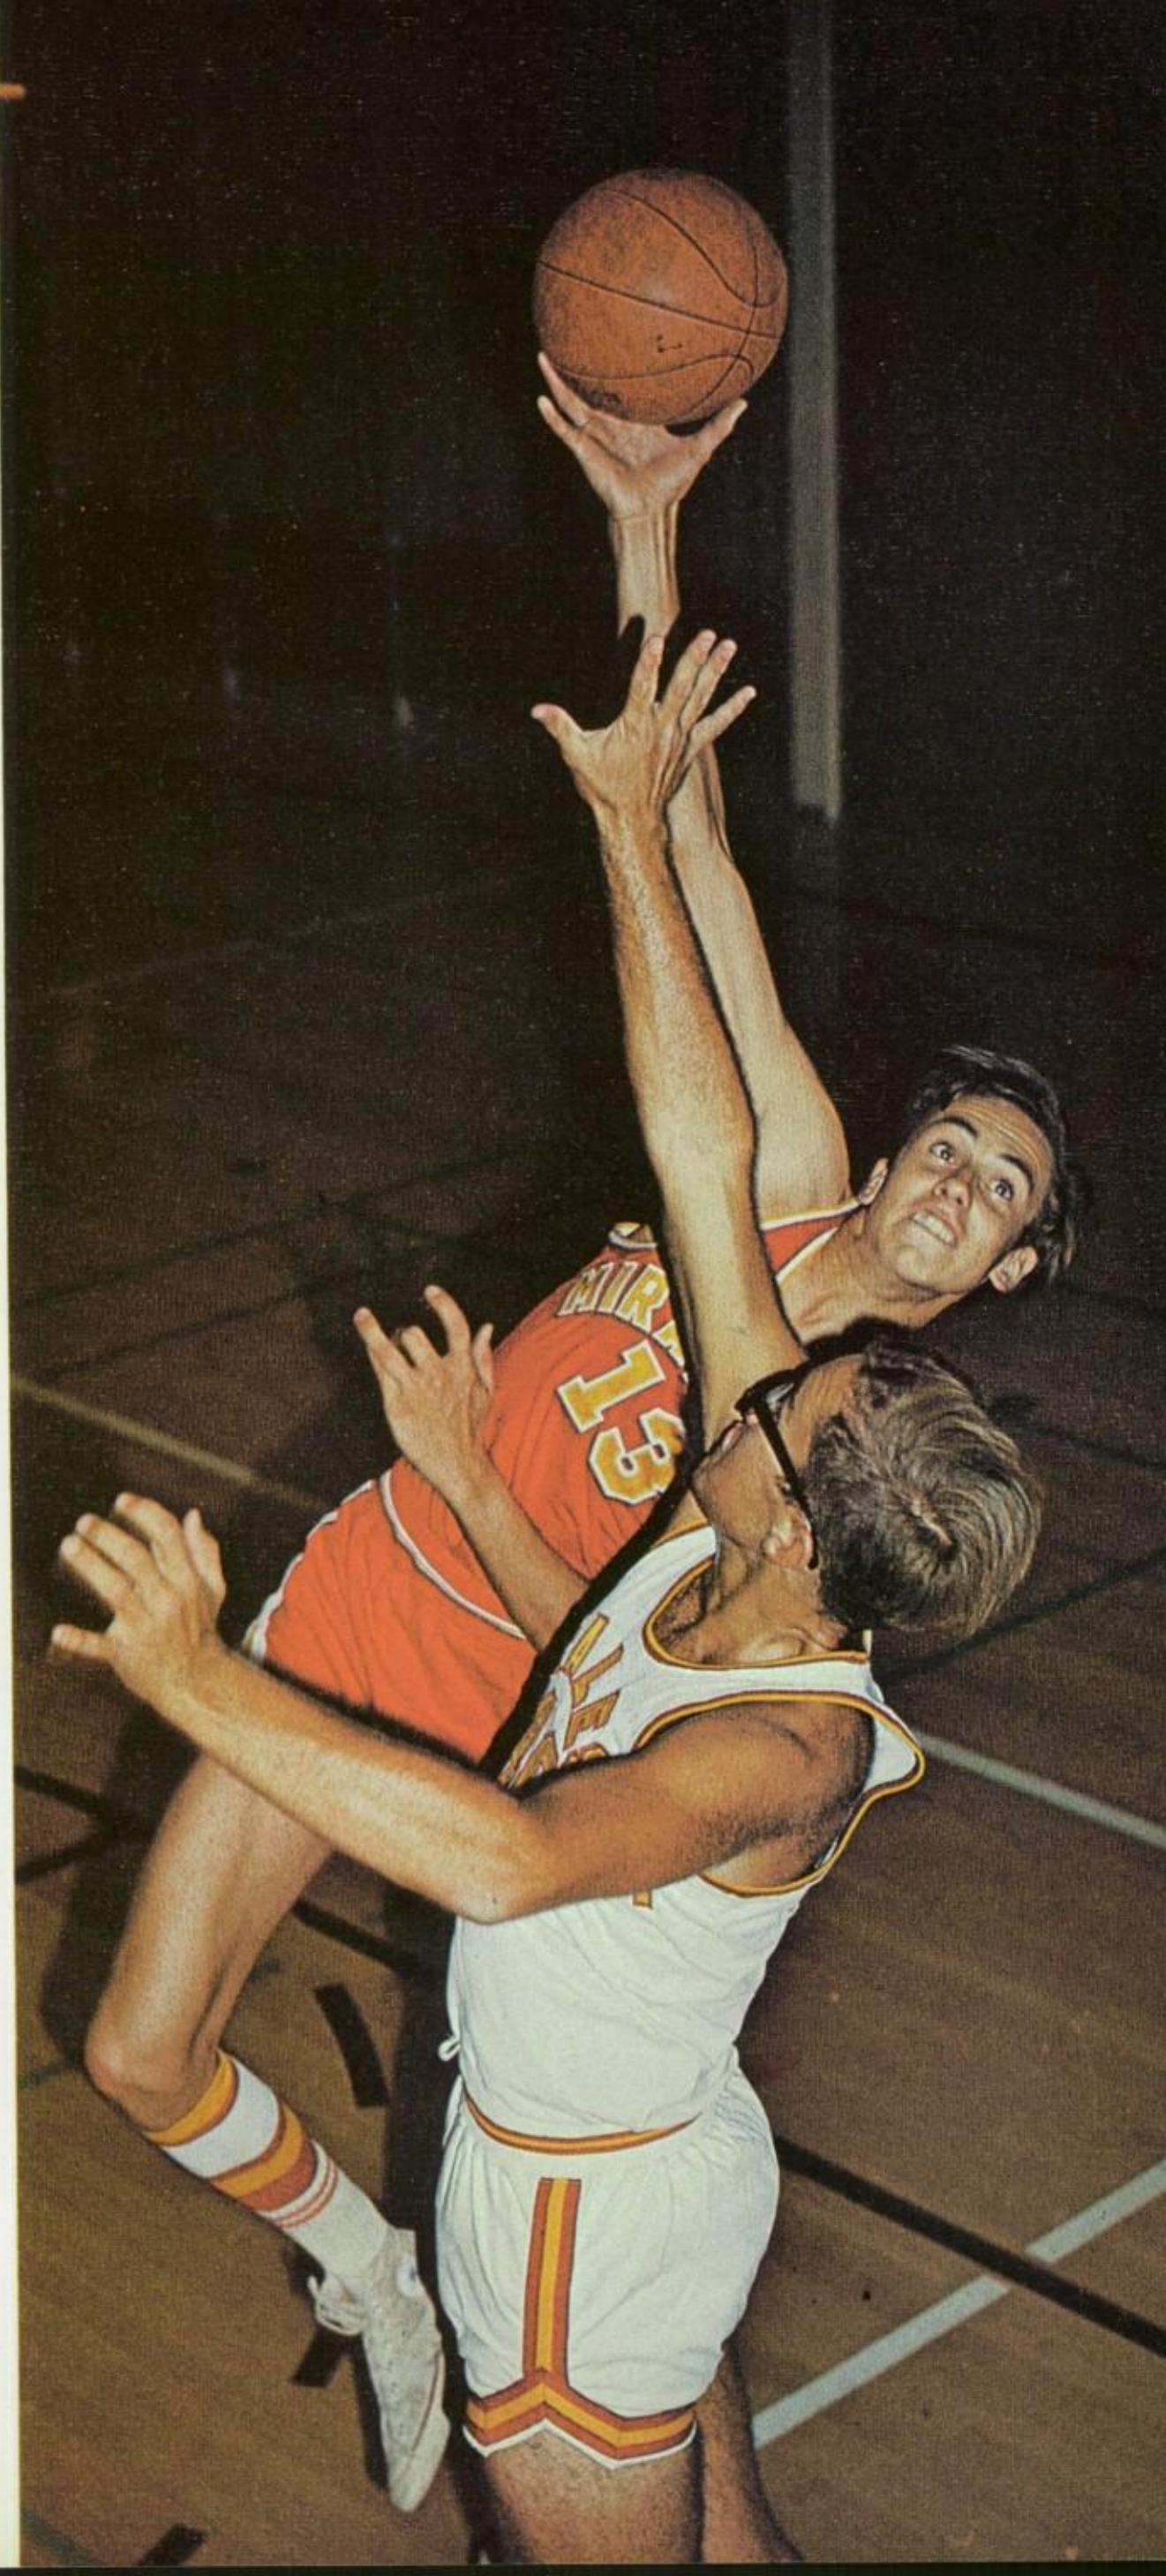

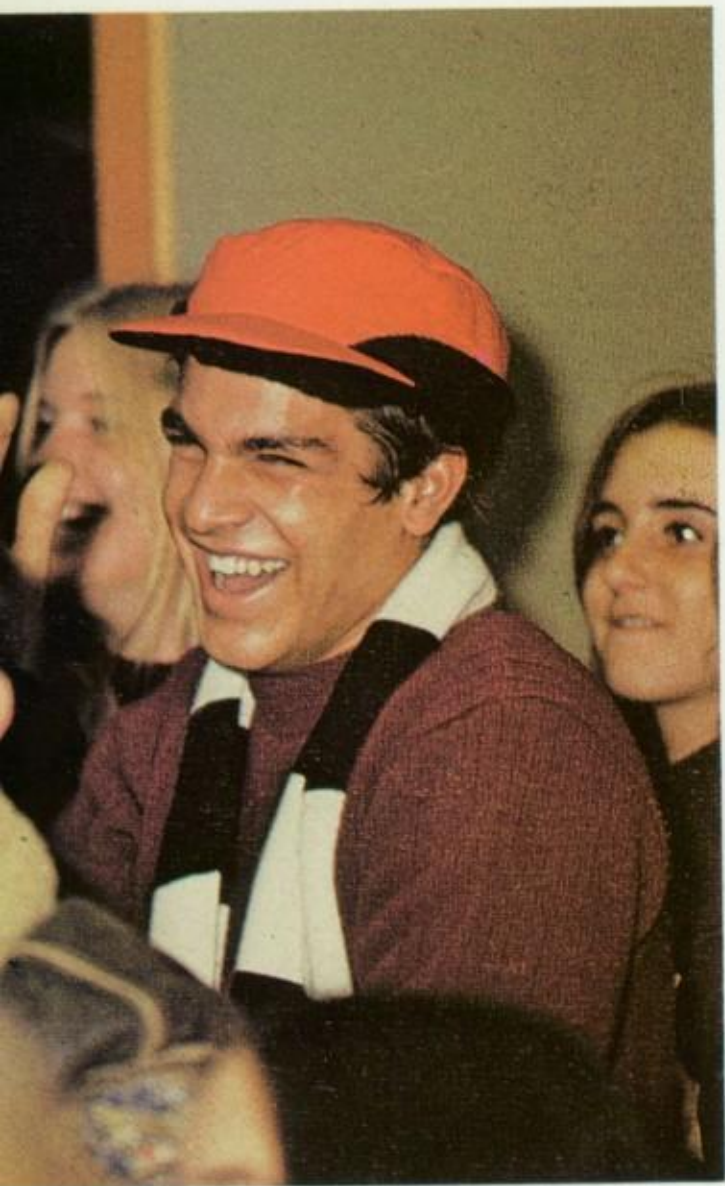

Miraleste . . . look to the East, a witness to the dawn

As seekers, we must find a way

To learn, to love, to live-

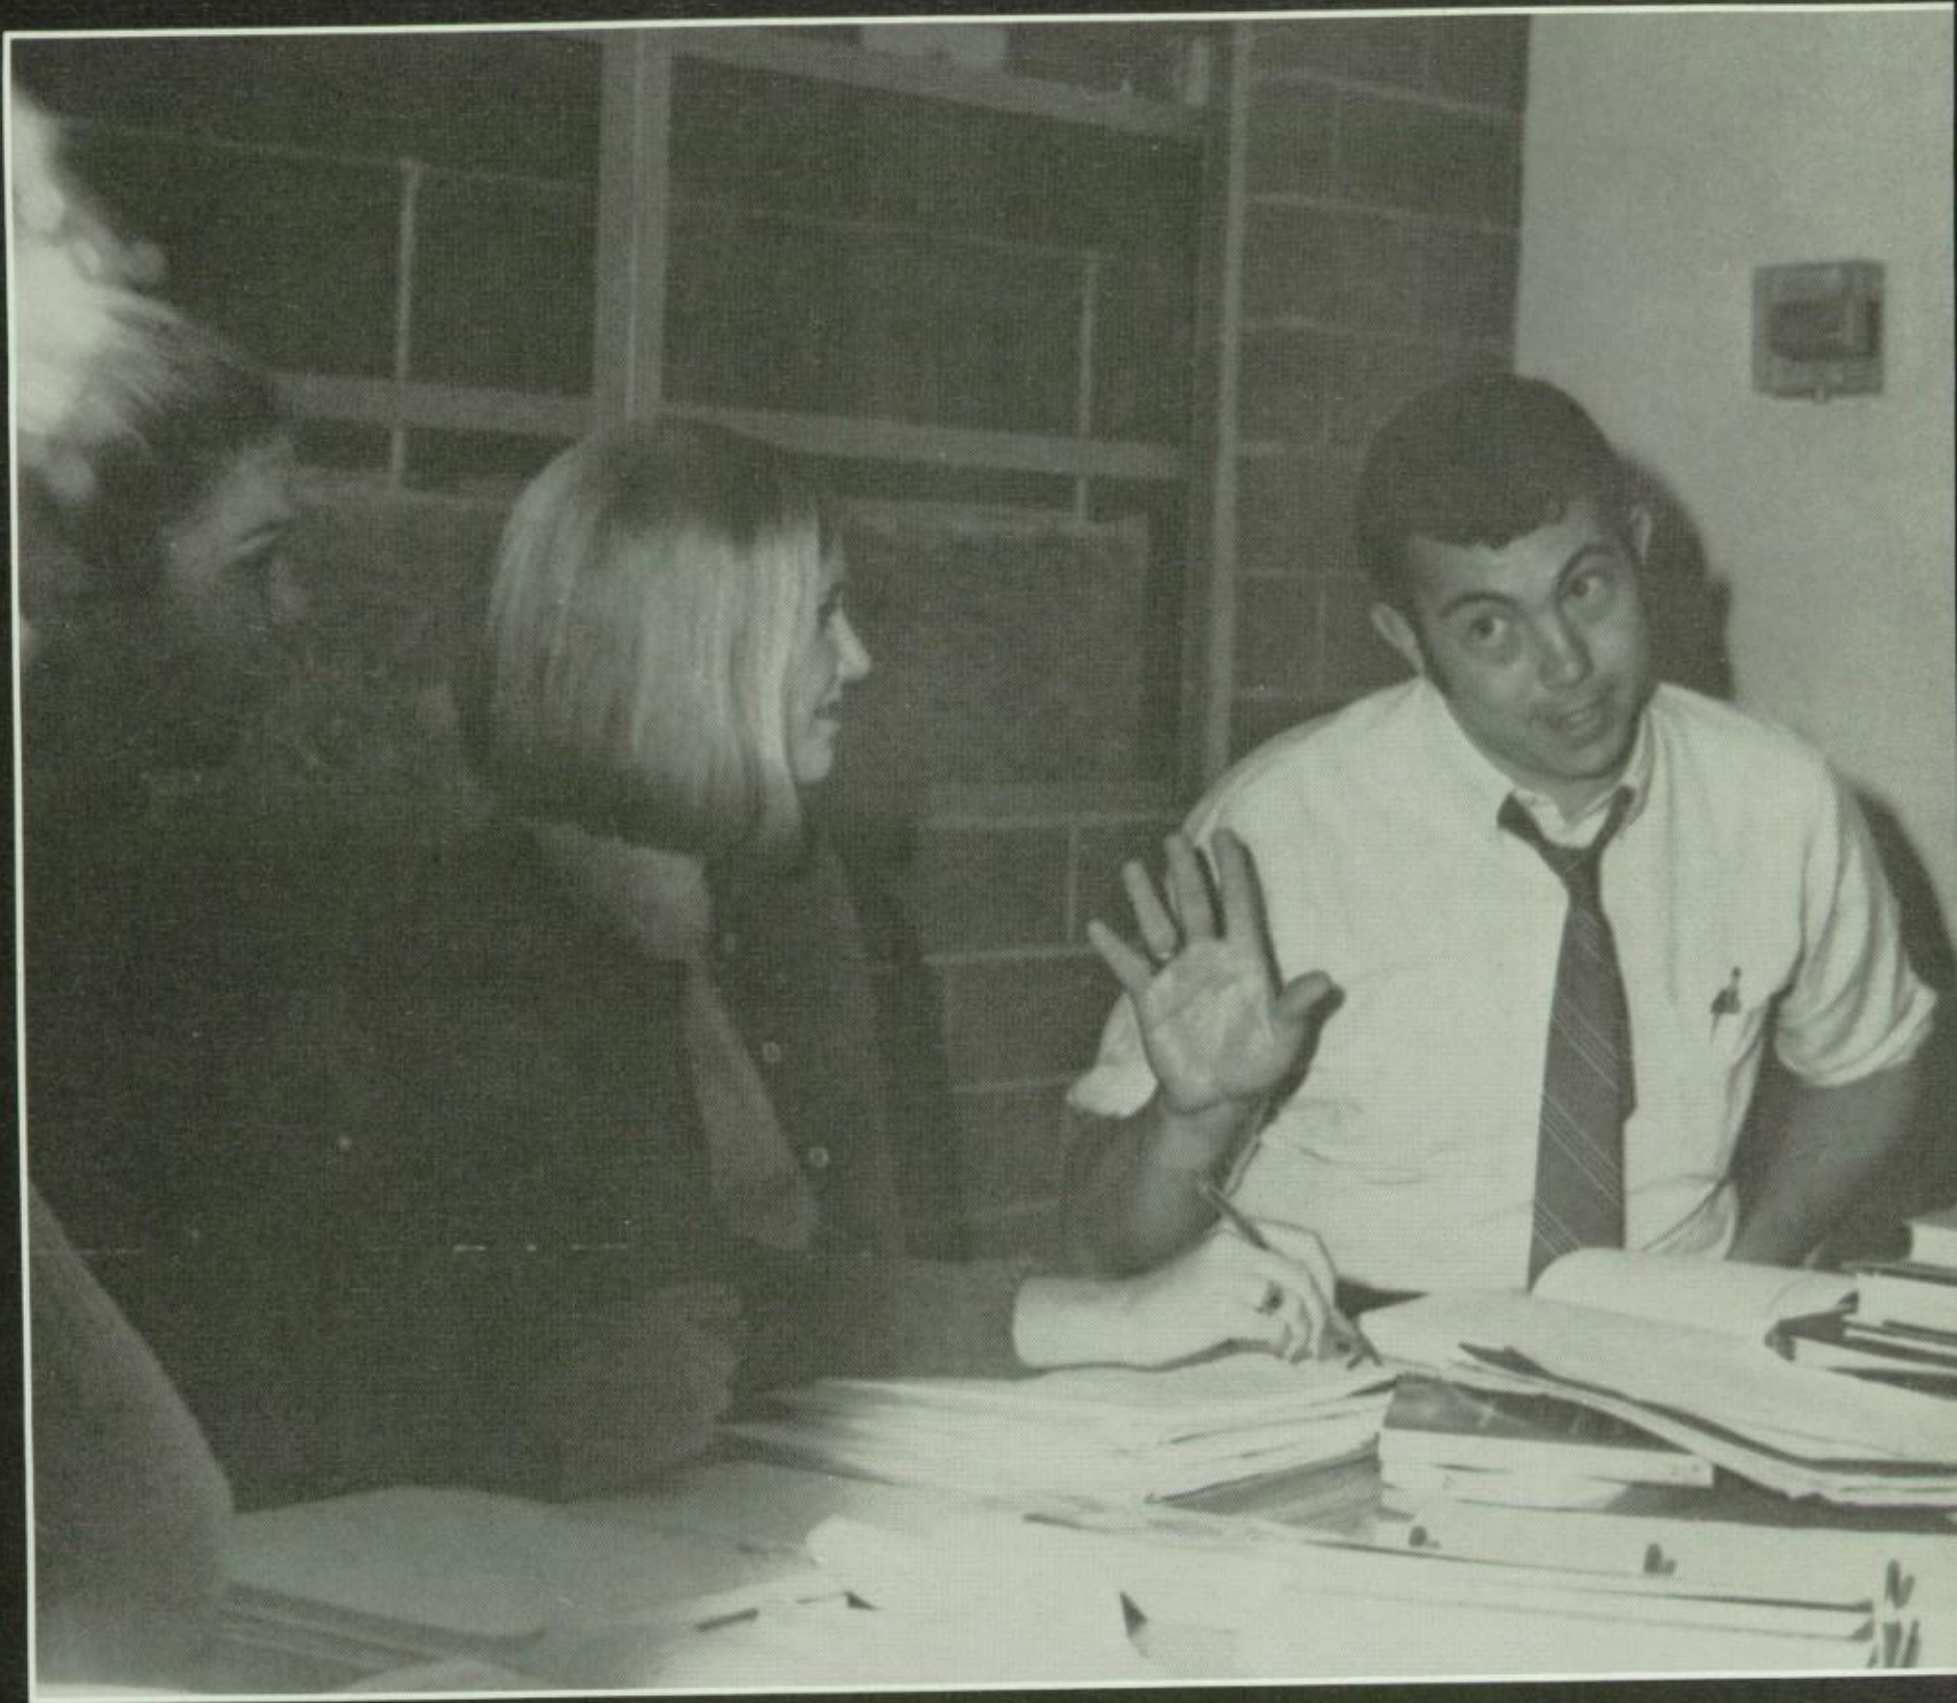

To bring upon the day.

Parental Disapproval Kills Two School Bond Issues

Local parents showed their overwhelming support of the Palos Verdes Unified School District by failing to pass two school bonds proposed during the 1969-70 school year. The February bond would have assisted the intermediate schools and students were told that MHS wouldn't be effected, so the parents simply lost interest.

A unified liberal dress code was put into effect for all three high schools early in the year. Girls enjoyed the freedom of being able to wear pants whenever they desired. Later in the year, District Supt. Dr. Thomas Woods visited MHS and explained to interested students the reasons why a music and drama facility could not be built in the near future, citing lack of funds as the cause.

In February, Dr. Richard Kaehler and Dr. Thomas Woods visited Mrs. Andrea Perkins' government class and spoke on the responsibility of decision making at the administrative levels.

Administration Shows Concern for Students

The Doctorate Degree of Education was awarded to Miraleste Principal Francis Gregory as a result of two and one-half years' intensive study at the University of Southern California. Dr. Gregory's dissertation was based on drug abuse among high school students.

Dr. Gregory felt the administration must respond to student needs and be guidance oriented. The students and staff of Miraleste have exceeded Dr. Gregory's expectations for progress. He attributed this success to overwhelming community support.

A great high school just doesn't happen; it's a product of the community, students, and faculty working in close harmony to achieve its fullest potential.

Library Is Place To Read, Write, Research

"Can it wait?" seemed to be the theme of the counseling office, library, student store and nurse's office as hoards of students bombarded them daily with questions, problems or aches and pains, as the case may be.

With Miraleste's first graduating class, the counseling office was faced with many unique problems concerning graduation requirements and college entrance exams. Senior counselor Ronald Cozort stood up admirably.

Providing student necessities, El Mercado Estudiante proved to be one of the more successful institutions on campus. The nurse's office treated sickly students with a dose of their famous tender, loving care.

Modular Scheduling Broadens Background

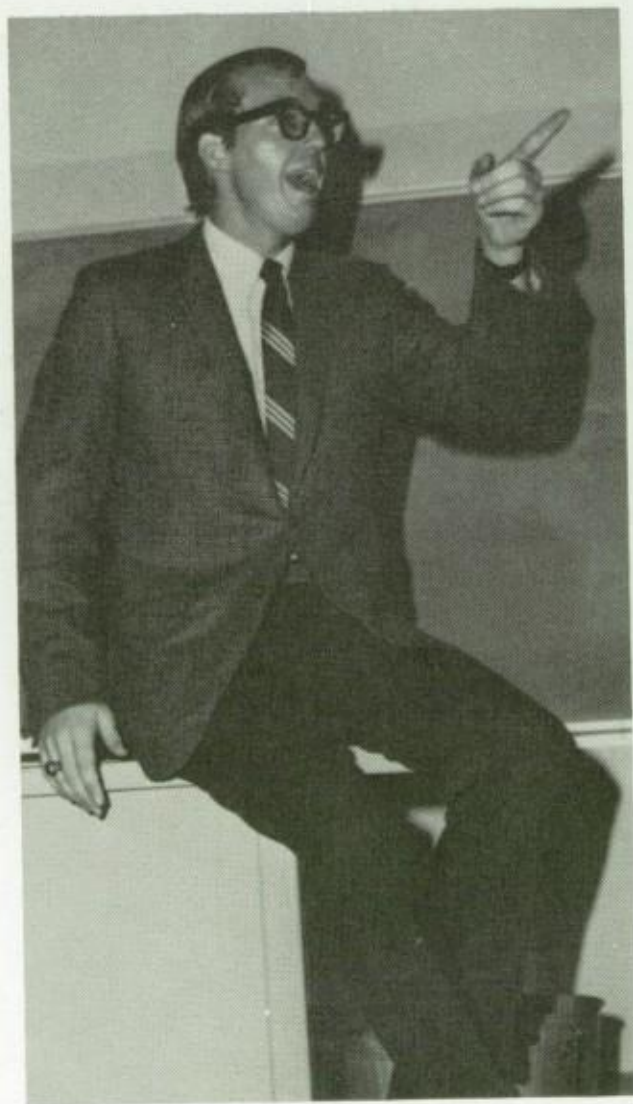

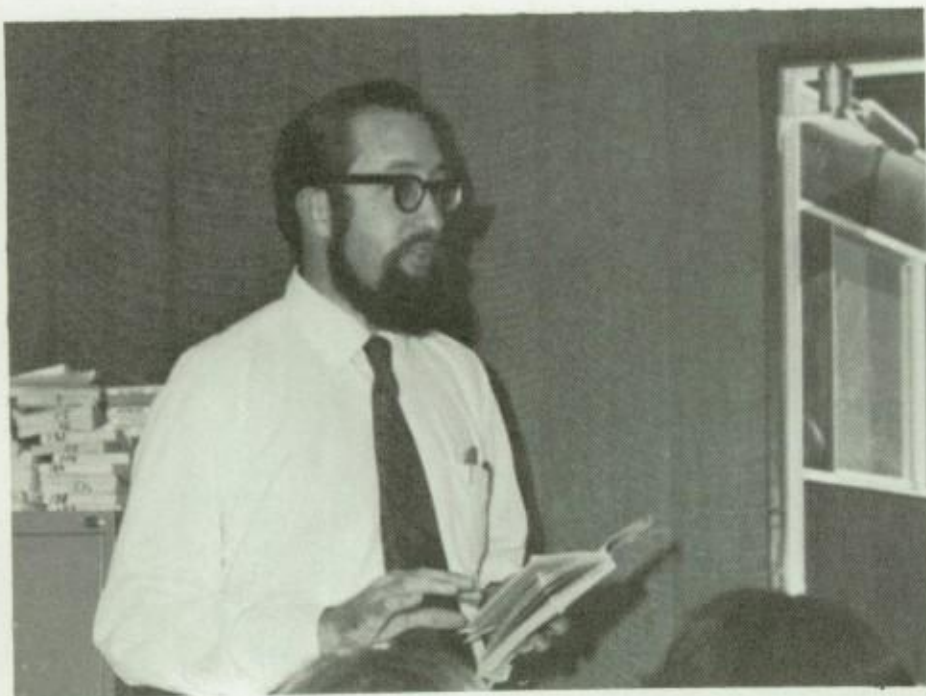

"The unexamined life is not worth living," said Socrates, the speaker in APOLOGY. This famous quote was given by two of the teachers in the humanities area. These teachers felt this was one of the qualities they tried to impart to their students.

The humanities area tried an experimental program during the year. The Juniors and Sophomores were on a modular schedule during their English and history periods. This program enabled the students to be taught by a variety of the teachers, thereby gaining a broader knowledge and greater concept of the materials covered in class.

Modular scheduling gave the students the chance to attend lectures, film presentations, and large or small discussion groups. Mr. Gary Hoban, humanities area chairman, felt that the main purpose of the program was to "know a fact, and to apply it to one's own goal."

The instructors involved in the program felt it was very successful. The variety provided the students with a wider educational outlook and better prepared them for college. Mr. Hoban stated that the program is to be continued depending on students' awareness and participation.

Students Apply Concepts to Own Goal

MRS. BARBARA COVEY-A.B., M.S.; English 1, 111; Developmental Reading; Future Teachers' Club.

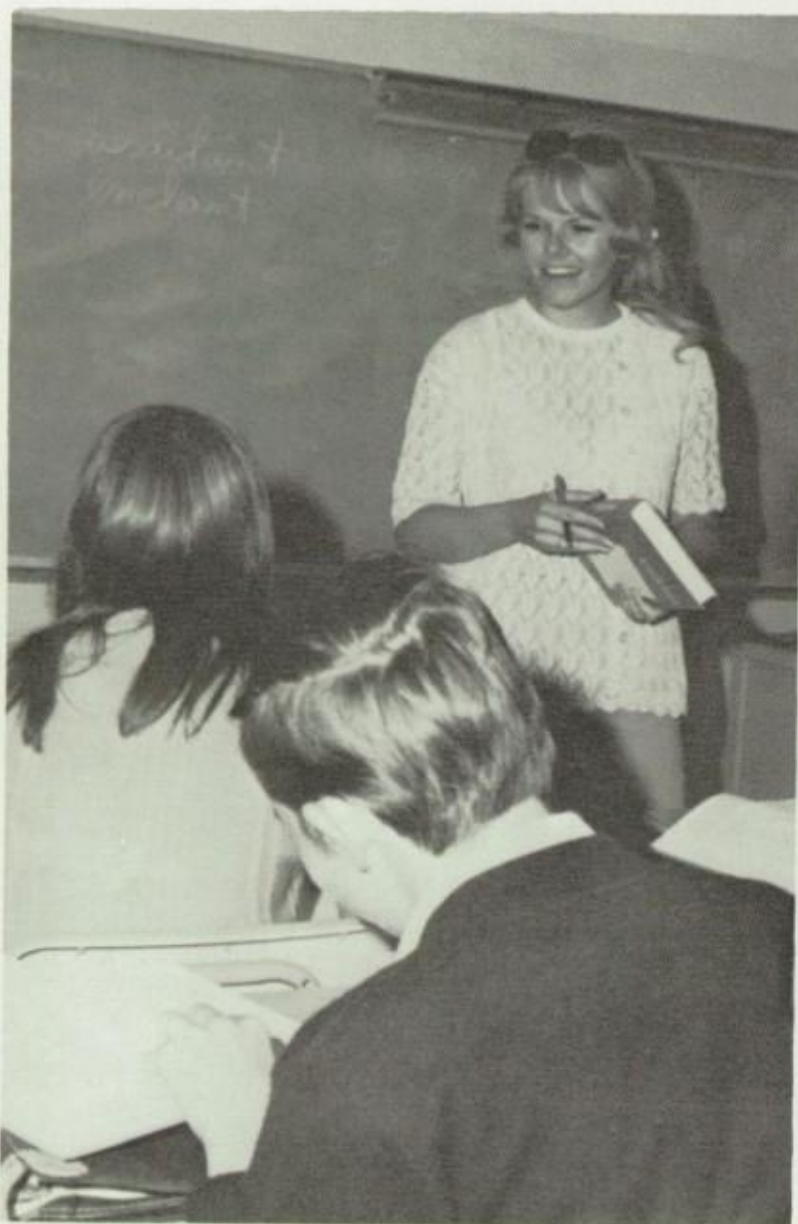

"Men are united in suffering. Great literature makes us aware of this suffering." Shakesperian tragedies, such as "Hamlet," "King Lear" and "MacBeth," which dealt with this universal topic, were studied in senior literature classes. Composition classes successfully aided many of Miraleste's college-bound seniors.

Freshmen English instructors tried to make both reading and writing meaningful experiences for their classes. Mrs. Barbara Covey stated, "I feel that the English teacher has a vital role in helping students discover the continuing magic of the written word."

History Dept. Inspires Students to Analyze

"What is truth? What is justice?" Emphasizing self-discovery by asking questions, the history department urged students to thoroughly examine historical philosophies. Heavy emphasis revolved around a better understanding of man in society. No longer was memorization as important.

Integration of English and history provided students with an entire picture of human culture. Senior government and economics stressed the discussion of problems facing modern man. Guided by Area Chairman Gary Hoban, teachers included supplementary research and open discussions in aiding students in their "hunt for the thread of truth."

Language Lab Develops Student Speaking Ability

Individual student participation in the learning process was one of the aims of the language department. A great aid in this area was the language lab, which enabled teachers to help the individual student with his skill development.

The French classes were visited by native speakers and AFS students, who helped the students better understand the country they were studying. Mrs. Patricia Maier prepared authentic French food such as escargot for her students.

While some classes worked as a whole, others studied in small groups. This method gave students an opportunity to work at their own pace and to set their own goals. Some groups worked at their writing skills and wrote their own play.

MRS. PATRICIA MAIER-B.A., M.A.; French II, III, IV.

MR. WALTER CRUZ-B.A., M.A.; Spanish II, III, IV.

Special Education Utilizes Discussions

MR. DWAYNE LARSON-B.A.; Special Education; Cee Football Co-Coach; Wrestling Co-Coach.

MR. JAMES DUGAN-B.A., M.A.; Boys' P.E.; Special Education; Football Coach; Basketball Coach.

Under the direction of Mr. John Wilson, the Special Education classes helped MHS students to meet graduation requirements. The students had a variety of different courses to study. Some of these were English, math and science, with a special emphasis on reading. The classes were kept small, enabling the teachers to give individual attention to all students. Both Mr. James Dugan and Mr. Dwayne Larson felt that their classes were a success.

MR. CARL DUZEN--B.A., M.A.; Math/Science Area Chairman; Physics; Algebra II/Trigonometry; Extended Algebra.

C. C. Duzen

"Well, what do you think?"

"Uncertainty without insanity"

"Doubt without cynicism"

"Mathematics has two aspects, the utility and the beauty."

"I can't teach you a thing, but I can provide you with the opportunity to learn something."

Math Dept. Introduces Consumer Method

MR. FRANCIS LOWERY--B.S.; Calculus; Algebra II; Geometry; Tennis.

"I can't teach you a thing, but I can provide you with the opportunity to learn something," stated Mr. Carl Duzen, math-science area chairman. The department's main goal was not in teaching techniques but to instill into the students a thirst for knowledge and confidence. Mr. Duzen and other teachers of the math department attempted to solve the problems that faced the students by the use of the inquiry method.

The math department extended the Algebra program by teaching Basic Math using the consumer method, which enabled students to work out everyday problems. A structured environment and organized methods provided the students with an opportunity to try and learn for themselves. Questions with a purpose and an eager amount of class participation were greatly encouraged by the teachers of the math-science area throughout the year.

MRS. MILDRED GARRETSON--B.A., M.S.; Algebra I, II; Trigonometry; Geometry; Math Analysis; Math Club.

MR. FRED KOCH--B.A., M.A.; Geometry; Algebra IEC; College Algebra.

MR. RICHARD HENKEL--B.S.; Boys' P.E.; Math; Algebra; Cross Country Coach; Track & Field Assistant Coach.

Experiments are Key to Science

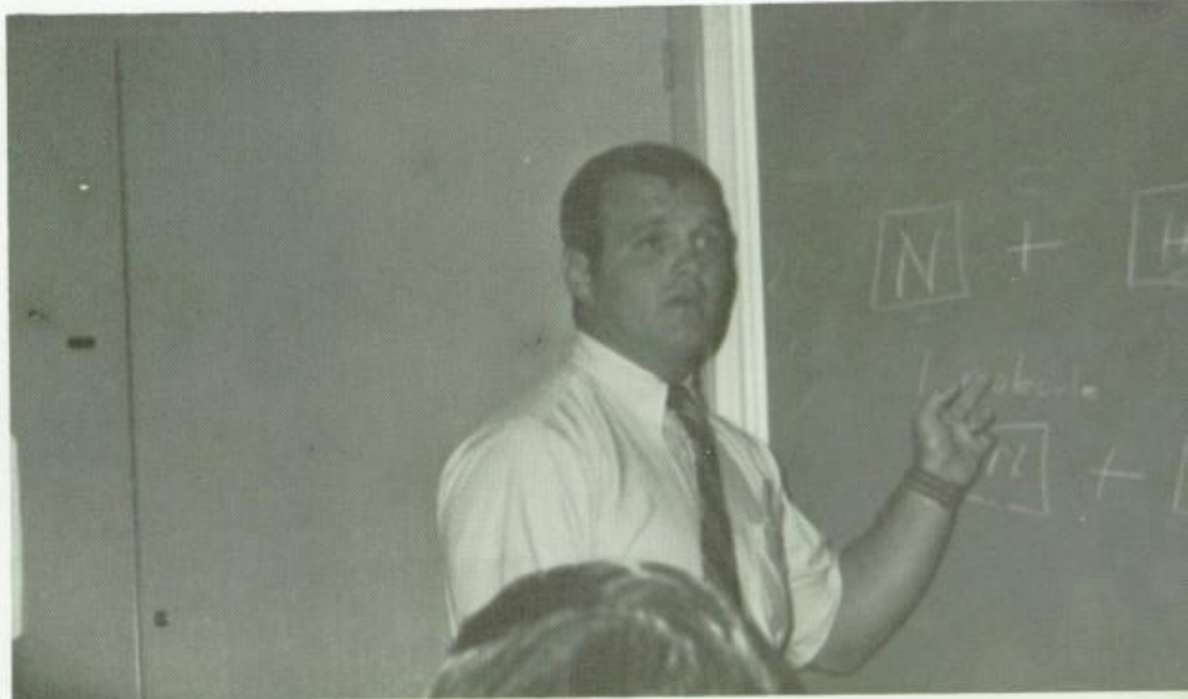

"You can teach a student for a day, but if you can teach a student to create curiosity he can start the learning process as long as he lives." This quote most appropriately states the philosophy of the math-science program. It was designed to help the students broaden their knowledge by stimulating them to ask questions and search for their own answers.

"And I always thought a mole was a little hairy creature that burrowed in the ground!" exclaimed many chemistry students when they learned that the scientific definition of a mole is 6×10^{23} atoms. One of the main aspects of the chemistry course was applying the scientific principles to practical situations.

"Dissect a whole cat? You've got to be kidding!" was the general reaction of the Biology 11 class when they found out that they were really going to do it. The adventure turned out to be both fun and exciting. Many other science classes also did interesting labs. They were designed so that the students could observe for themselves what the textbooks taught.

MR. NORMAN TOWERS--B.S.; Physical Science; Biology I; Cee Football Coach; Track Coach.

MR. KIRSTEN BRELSFORD--B.A., M.A.; Physical Science; Chemistry; Football; Head Wrestling Coach.

MR. CHARLES DUZINSKI-B.S., M.A.; Physical Science;
Earth Science; Bee Football.

MR. LARRY CALABRESE-B.S., M.A.; Biology I, II; Bee Basketball.

"Start where you are with what you have, make something of it and never be satisfied."

MR. JOHN WILSON-B.S., M.S.; Work Experience; Applied Arts Area Chairman.

John W. Wilson Jr.

"The difference between the possible and the impossible is a man's will."

MR. ARTHUR G. WARNER-B.A.; Woods I, II, III; Health, Driver Education.

Have you ever seen a brawny football player in an apron or a cute cheerleader in a pair of welding goggles? Such sights were not unusual or discouraged in the applied arts area.

Classes in this area, which included wood and metal shop, drafting, sewing, and cooking, placed new emphasis on the necessity of co-education in these normally segregated electives.

The goal of these classes was to give the students an opportunity to put their imagination into reality. Great emphasis was placed on the importance of consumer education, which seemed this year's theme for the applied arts area.

Mr. William Maynard described applied arts as, "the best area in school." Such enthusiastic instructors contributed in making applied arts one of the most successful areas at Miraleste.

MR. WILLIAM MAYNARD-B.A.; Health and Drivers Ed., Beginning Metal; Continuity Tech Arts.

MR. BURNEY RAMMING-B.S., M.S.; Beginning Drafting; Intermediate Drafting; Continuity Tech Arts.

MRS. SONIA HILL-B.S.; Home Economics.

Music Dept. Adds New Teaching Staff

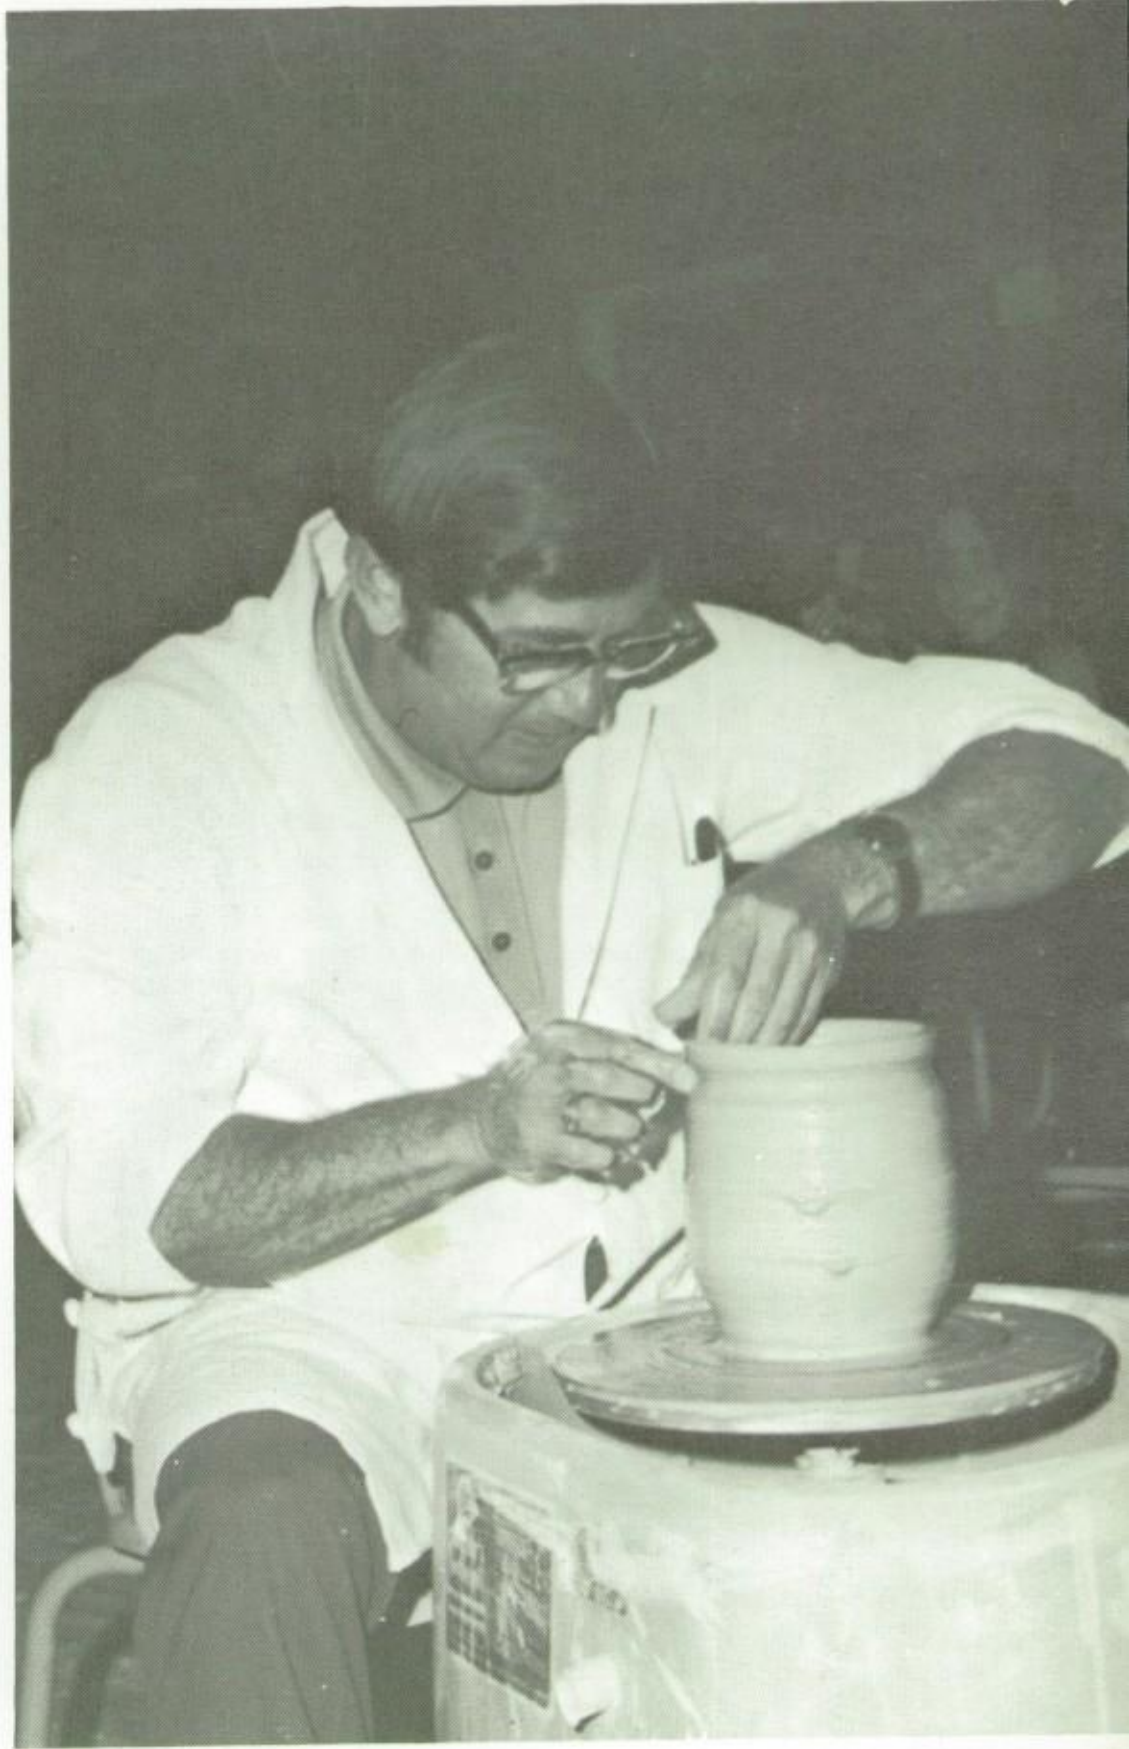

Typing to music? The use of a controlled reader? These and other modern equipment were some of the new teaching devices used by the typing classes to help the students build up their speed, accuracy and maintain an even rhythm.

The shorthand classes used the controlled reader and records to increase their speed. They also visited a business office to observe the use of shorthand and other business aids.

"Results not excuses" was the theme of the Music Department. The results were commendable when the choruses and orchestra presented their Christmas and Spring music concerts.

Madrigals, the new selective group, was started because of the increased number of talented students interested in singing. Several orchestra members formed the spirited Pep Band.

The art department produced a wide selection of unique designs and organic sculptures, as was seen in the different paintings, ceramic products, and crafted leatherworks. The art students participated in a number of art shows to raise money for an art scholarship of \$100 that was given to a senior who planned an art major.

Boys' PE Aims for Overall Skill Growth

Soccer without any rules—commonly known to all boys as "jungle ball"—was just one of the many exciting team sports in the boys' PE program. Upperclassmen were given the chance to further develop their skill, or luck, whichever the case, by playing such individual sports as wrestling, track, and weight lifting.

The completion of the gym, swimming pool, and tumbling room were greatly anticipated in order to help overcome the grave lack of equipment and space felt by all classes. "We are looking forward to a completed plant so that we can really use our program to its fullest benefit," agreed all of the boys' PE teachers.

MHS Shows Proof Of a Green Thumb

The "food, glorious food" for Miraleste lunches was provided by the efficient cafeteria staff. Handicapped by the lack of cooking facilities, the staff had to work hard and import food from Rolling Hills in order to satisfy the hungry students and teachers.

Miraleste was finally blessed with some greenery in the form of trees and bushes planted by the groundsman. The "Keep Miraleste Beautiful" campaign was also supported by the custodial staff, who took care of such innate objects as sidewalks and classrooms.

Always smiling and eager to serve, "whistle while you work" was the motto of the secretarial staff. Working in the attendance, counseling and main offices, the staff served the Miraleste administration, faculty and student body with efficiency and enthusiasm.

Senior Year Is Heightened by Graduation

JEFF VANCE
Senior Class President

Anticipation... Challenges... Graduation... faced the Class of '70. Miraleste's first graduates had the responsibility of establishing traditions and privileges for all future seniors.

The class was greatly concerned with the construction of Senior Park, which was to be completed in the Spring. Other privileges the class was to receive were Senior lunch line, parking lot, and exciting winter ski trip to Snow Valley.

Guest speakers on the draft and job opportunities helped students plan their future. College-bound Seniors were confronted with college entrance exams, filling out application forms, and the tense wait until acceptances were announced.

June was a time of mixed emotions for the graduating class-nostalgia, excitement, fear-both an end and a beginning. The final week's activities included Baccalaureate, a Senior breakfast, and the graduation ceremony. The Class of '70 ended its year with Grad-Nite at Disneyland.

Junior Class Sponsors First MHS Prom

Miraleste students finally got their once-in-a-lifetime chance to get revenge and release their stored-up resentments against their teachers in the pie-throwing contest during Spirit Week. Needless to say, many students took full advantage of this activity put on by the Junior Class.

In January, the Class of '71 aided the Interact Club in sponsoring a reliability run. Later in the year, they held a spirited Roaring Twenties dance entitled "Those Were the Days." This was shortly followed by Miraleste's first classic car show, "The Golden Age of the Automobile." The Class of '71 ended the year by sponsoring Miraleste's first prom, located at the Airport Marina.

Originality was the most distinctive feature of the Junior Class' projects. New and imaginative ideas, together with the cooperation and support of many class members, produced activities which were enjoyed by the entire student body.

"Squirt! You're suppose to wash the cars not my face!" complained a student during the car wash, one of the many highly successful events held by the active class of '72. Some of the students got as wet as the cars they were trying to wash.

Led by Evan Wright the Sophomore Class formulated many unique activities. Blythe Mickelson, vice-president for the second year in a row, added many helpful hints to make this a successful year. Debbie Green, secretary, and Melinda Lees, treasurer, were also very reliable in their duties.

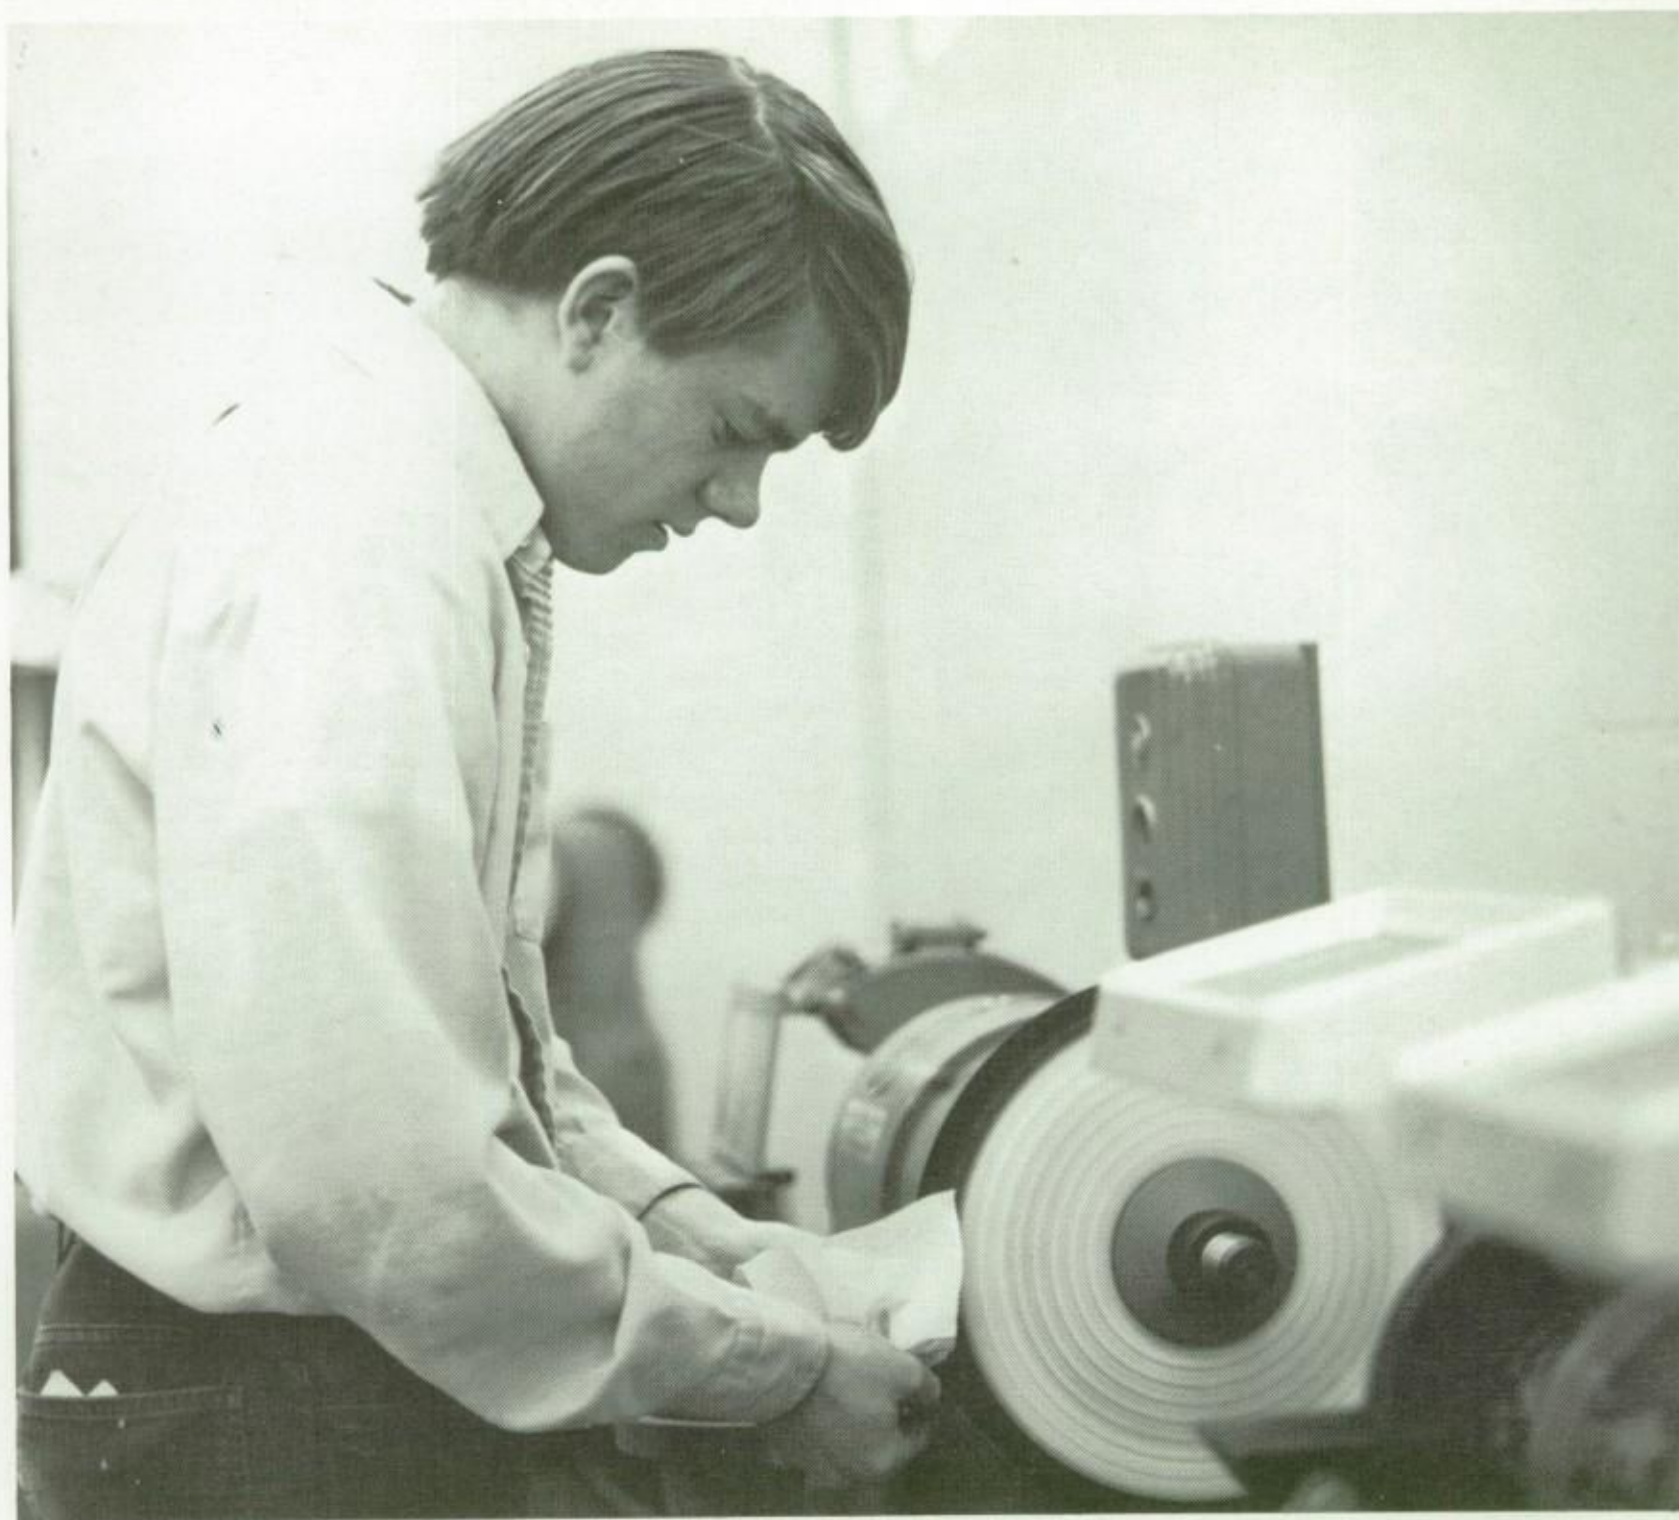

"Do you have any more Licorice to sell?" was a sound heard from an eager student awaiting to buy some delicious candy. The Sophomores were pleased with the great results of the sale.

The annual Soph Doll Dance was held during March. For one week the candidates solicited penny votes. On Friday night the girl, Sue Bowman, with the most pennies was crowned the 1970 Soph Doll.

Greater responsibilities and a more mature approach to learning were the first obstacles which the freshmen had to overcome. Yet with its enthusiasm and spirit, the Class of '73 readily established itself as a vital part of Miraleste.

The elections of the Freshmen Class officers were not held until the beginning of October, causing a late start for the year's activities. Despite this fact, they sponsored a peppermint candy cane sale in December. The abounding monetary profits provided the start of the class treasury.

The vibrating beat of the Yellow Autumn set the mood for the Freshmen-sponsored dance in January. A great deal of the success of this and other class activities was due to the enthusiasm and hard work of President Dianne Olson and the class cabinet. Support was also given by the class advisor, Miss Felice Gielicz.

Frosh Pursuits Vary From "Mad" to Metals

DIVERSITY OF INTERESTS mark the MHS studentbody. Here Sophomore Lindsay Brown freely displays his tastes in good literature, no doubt to the satisfaction of his English teacher, while his classmates concentrate upon a writing assignment.

FRESHMAN John Speight is deeply absorbed in the work of filing down the welding on his candleholder, while debating whether to give it to his mother for her birthday or Mothers' Day.

Informed Freshmen Have Busy Schedules

MIRALESTE FRESHMEN gallantly make the "mad dash" to see their friends, get to their locker and back to class. All within the six-minute

passing period. Learning to move quickly and make social chats brief are but a part of the many things that all new students must learn.

ASB President and Council Attend Camp

"Come Together" was the unofficial theme of the Miraleste Leadership Camp held in September. All ASB and class officers were invited to attend this retreat to the mountains. Its main goal was to try and close the gap between student factions in the school. Both scheduled and informal discussions widened communication between students and administration.

Efficiently lead by ASB President Gary Chapman, Student Council initiated new programs and activities. Bi-weekly student forums were begun to let any student voice his opinion on almost any topic. However, they were cancelled because of a lack of participation. In March, Council sponsored a magazine drive in order to raise money for student body funds.

Miraleste's first annual student Council Conference was attended by several area high schools. Workshops were held on subjects ranging from school spirit to community relations. A curriculum and teaching technique study was conducted under Council's supervision.

"BE GOOD or I'll hit you over the head with my potato masher wand," warns Mrs. Sharon Gassett.

All of the Spirit Week Activities Are Great

Helpless girls once again traded their feminine roles to those of football stars as the second Powder Puff Football game was played during Spirit Week.

Urged on with strong advice from their coaches, Mr. William Maynard, Mr. Fred Stockwell and Mr. Art Warner, the senior girls made the first touchdown.

The Junior girls were quick to end the senior moment of triumph when they scored a touchdown to the delight of their fans and their coach, Mr. Jim Whiting.

Both teams started preparing for the game weeks before the actual kickoff. Any girl could try out for the teams in after-school practices. When the first string was chosen, their sponsors eagerly began whipping their forces into shape.

Both fans and players were amused as the male cheerleaders attempted to lead cheers in their feminine outfits.

"I'LL TAKE ONE...or two...or three..." yells senior Mike Joens during the Spirit Week girl auction. He soon found out that one cent doesn't even buy a lock of the girls' hair.

"THIS HAT is beginning to give me a headache," painfully muses Mrs. Francine Marron, newly crowned Spirit Week Witch. You wouldn't recognize her, would you?

"I'LL NEVER EAT another berry pie in my whole life!" declares Jere Morgan to Tony Stellino during the half-time pie eating relay.

"I HEARD the funniest joke," giggles Spirit Week Witch candidate Miss Jerilyn Knitter to Mrs. Lorraine Jackson.

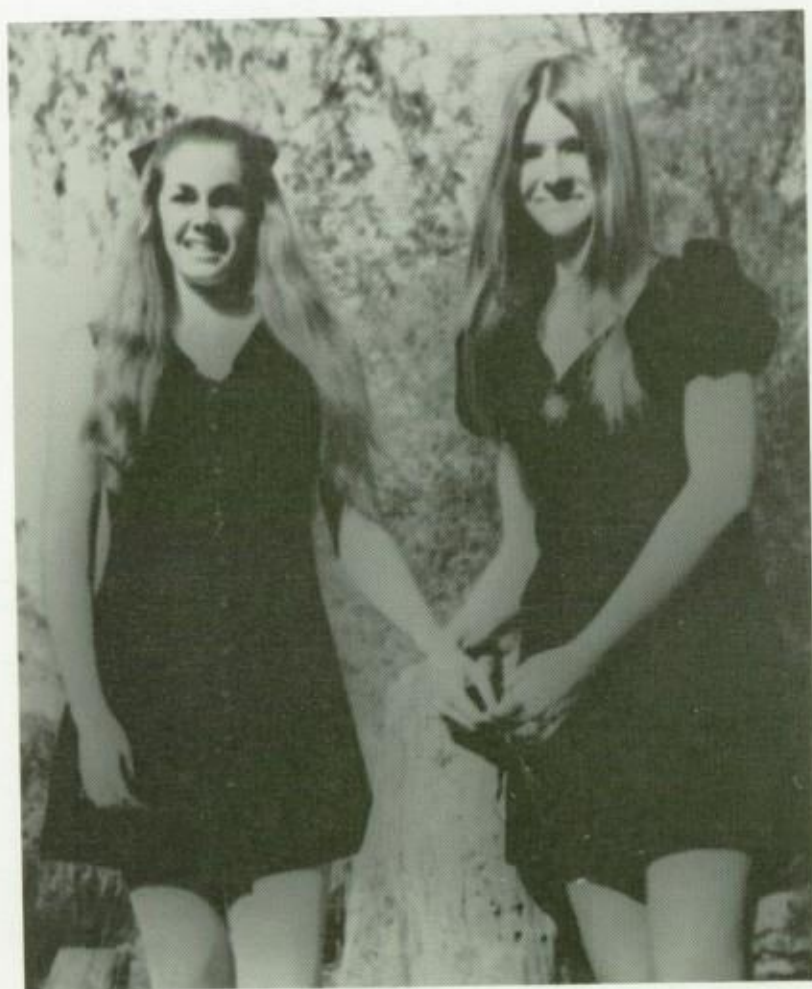

Suzanne Triumphs at Spirit Week Dance

"The Great Mandell" was the clever theme which sparked much enthusiasm during the Spirit Week Semi-Formal. During the dance the Blue Soul provided music and entertainment for the couples. The Key Club-sponsored dance concluded the enjoyable activities of Spirit Week.

The week before Spirit Week all the athletes out for a fall sport selected one girl from each grade level to be a candidate for Spirit Week Princess. Only Senior girls were nominated for Spirit Week Queen candidates. The winners of this tally were put on an all-school ballot. Then each class voted for its own princesses and the entire student body elected the senior queen.

The suspense was heightened as the evening of the Semi-Formal progressed. Gary Chapman had the privilege of announcing and crowning Suzanne Grillo as the Spirit Week Queen. This is the second year she has held this title. Senior Class princesses were Kathy Barrett and Robin Thomas. June Evans and Kirsten Pedersen were Junior Class Princesses. Kathy Jackson and Robin Lewis were chosen as princesses from the Sophomore Class. Freshman Class Princesses were Dawn Iacono and Debbie Peterson.

Juniors Win Second Powder Puff Game

Helpless girls once again traded their feminine roles to those of football stars as the second Powder Puff Football game was played during Spirit Week.

Urged on with strong advice from their coaches, Mr. William Maynard, Mr. Fred Stockwell and Mr. Art Warner, the senior girls made the first touchdown.

Both fans and players were amused as the male cheerleaders attempted to lead cheers in their feminine outfits.

DRESSED IN their most formal attire, the senior Powder Puff cheerleaders try to help the senior girls win. They failed to do so.

THE JUNIOR-SENIOR Powder Puff football game was one of the most popular activities during Spirit Week. The fans were treated to many plays, such as the tense chase scene seen above. The end result was one senior touchdown to two junior touchdowns.

"CLEAR THE WAY, because I'm coming through!" warns senior Missy O'Flaherty as she hugs the ball and makes a mad dash to break through the juniors' defensive line-up to make a down. Charging forward, junior June Evans is determined to stop her.

Mrs. McThing Is Liked by Students

"Mrs. McThing" did her thing at the second annual dramatic presentation of the Miraleste High Theater Arts Club to the delight of an enthusiastic audience of Miraleste students, parents, and members of the community. They showed their real appreciation at the end by handing all the cast a standing ovation with special loud applause for Kathy Pehler. Kathy played the part of the zaney Mrs. Shellenbach in the equally zaney play.

The play revolves around Mrs. Howard Larue III, played by Ann Crandell, a wealthy widow, and her ganster son, "Poison Eddie" Shellenbach, realistically portrayed by Gerry Griffin. In this fun play the ridiculous moves to the absurd as the title character, Mrs. McThing, is both a beautiful witch, played at different times by Betty Lu Van Acker and Marie Hafeman, and an ugly witch, also portrayed by two characters, Linda Neal and Lisa Almasy. All in all, the play was a huge success with credit also due to Mr. Ed Craig, the director.

"IT'LL BE ALRIGHT," comforts Jere Morgan to Guy Forest. Meanwhile, standing close by, Diane Bescoby is grinning at the thought of a man crying.

"POOF!" says Norm Kowallis as the cast patiently waits for him to finish his "oscar" time.

"LISTEN HERE, you..." Gerry Griffin gruffly says to Ann Candall and Barry Drummond, with a little help from his fellow friends, Jere Morgan and Guy Forest.

"HEY! SHUT UP you guys!" yells Gerry Griffin to his noisy friends, Guy Forest and Jere Morgan, as they act in a rowdy fashion which makes it difficult to hear anything. The scene takes place in "Mrs. McThing."

Fabulous Fashion Frolicking Success

The second annual Girls' League sponsored Fashion Frolic featured the new fashions of the seventies on March 12. This popular event inspired many girls to enter their creations in the contest.

The contestants were able to enter five categories: At-Home Wear, Schoolwear, Ensembles, Datewear, and Formals. The seamstresses were judged on workmanship, pattern and fabric combination, becoming style, style suitable to age, good color choice, accessories and poise.

Queen Helen Reigns at Christmas Formal

ESCORT Whit Pope shares in the moment of excitement when Helen Constantine hears her name being announced as Key Club Queen.

"An Old-Fashioned Christmas" was the mood captured by Girls' League as they sponsored their second annual formal. Amid the soft lights of the gaily decorated room and traditional Christmas tree, many couples were caught in the atmosphere of the evening.

The multi-purpose room was transformed into a brilliantly decorated ballroom with traditional colors of red, green and white. The mood was carried out with Christmas stockings that were formed into a Christmas tree on the wall, while innocent bunches of mistletoe dangled above the heads of unsuspecting couples. A large Christmas tree draped with popcorn and tinsel added the final touch.

The highlights of the evening included the procession of the Key Club Queen candidates and their Key Club escorts. It was a tense and exciting moment when Helen Constantine was announced as Queen in Key Club's traditional candle ceremony. The lovely girls that comprised the court were Dayle Bruinsma, Betty Ann Rhoads, Renée Deterville, Pat Hynes, Barbara Lyle and Ann Crandall.

Helen then danced the "Queen's Dance" with Mike Doran, Key Club President, to the delightful music of "Webester's Unabridged", who provided music throughout the evening. The queen and her royal court were nominated by Key Club. After a number of interviews, the girls were chosen on the basis of personality and good looks.

Two Miraleste Clubs Formed For Athletics

Santana's "Evil Ways" and other popular songs were performed by the Fifth Flight at the second annual Lettermen's Club dance. Friday the 13th proved to be a lucky night for the victory dance held in the RHHS multi-purpose room after a MHS basketball game.

It was an exciting moment when Barbara Lyle was crowned as Lettermen's Club queen. Her court consisted of Renee Deterville, Betty Ann Rhoads, June Evans, Robin Pierson, Cindy Ebinger, and Liz Harris.

The highlight of the Sophomore year was the Soph Doll Dance held on March 6. Brightly colored streamers and balloons decorated the multipurpose-room while a creative lightshow kept the audience in a trance.

The psychedelic music of the Fifth Flight once again intrigued its fellow students during the mystic hours of 8-11. The climax of the evening was the announcement that Sue Bowman had been elected Soph Doll of 1970 after a suspenseful week of penny voting.

IMMENSELY ENJOYING themselves at the Lettermen's Club dance, Marauder couples dance to the rhythmic sounds of the Fifth Flight. Jeff Gray and Nancy Oses and Debbie Carlson and Jeff Vance really seem to have picked up the beat.

GIRLS' LEAGUE BOARD MEMBER, Julie Franklin, Sandy Simmons and Kathy Dykzeul, put up colorful posters all around the school to advertise for Fashion Frolics.

"STEP RIGHT UP, your name and telephone number, and they will appear in an honest-to-goodness official student phone book." Key Club members, Walt Taylor and Jeff Gray entreat MHS students.

Honoring outstanding Miraleste students, the National Honor Society and the California Scholarship Federation revolved around the motto "scholarship for service." Both clubs tutored students who needed help in subjects ranging from American history to physics.

For the first time in Miraleste history, NHS selected students from the top 10% of the senior class. The selections, held in November and April, were based on scholarship, character, service, and leadership. Activities included the sale of chocolate kisses.

Miraleste's CSF, boasting a membership of 122, was the largest club on campus. Their activities for the year included basketball, track and Christmas Concert concessions and the freshmen orientation in May.

3 out of 5 officers of the CSF district office came from Miraleste. The officers were Rick Stevens-president, Susan Kropf-corresponding secretary, and Bill Murray-treasurer.

MH Clubs Cover Varied Academic Fields

ADMIRING HER TROPHY, third place winner in original oratory, Charlene Orchard displays her trophy in the main office.

Many clubs participated in after school activities that required superior knowledge in certain areas. The Math Club was one of them. Mrs. Mildred Garretson, club sponsor, entered the members in a number of math tournaments, in which Miraleste placed quite well.

The Creative Writing Club visited the Redondo Beach Pier with their sponsor Mrs. Olivia LaBouff, hopefully in order to become inspired to write. Their works were discussed by the club members, then submitted to the TORREON, in which they were later printed.

An exciting evening at a French restaurant, Chalet de France, provided an enlightening lesson for the French Club. Later, members attended a French movie and French bread sampling with their sponsor.

Forensics Club, under the supervision of Miss Jerilyn Knitter, attended several speech tournaments in which Marauders received awards. President Charlene Orchard, trophy winner, was an outstanding speaker.

League Offers Trees, Carrots and Corsages

Both Girls' League and Boys' League served the school and represented the students by continuing popular traditions, as well as formulating new ideas for NHS activities.

The annual girl-ask-boy Christmas formal was sponsored by Girls' League. Ushering in the new year was the "Spring Into the '70's" Fashion Frolic fashion show. Acting as the Easter Bunny's helpers, all board members sold carrots just before Easter vacation. Mother's Day found many Marauders ordering corsages from Girls' League for their mothers.

The spirit of Christmas was radiated to Milaleste faculty and students by the red and gold decorated Christmas tree which Boys' League donated to the school. It was on display in the library. The League sold concessions at athletic events to raise money to buy a gift for the school at the year's end.

DECORATING A CHRISTMAS TREE is risky business for Court Heater as he is trapped by Doug Douglas, Bob Iacono, Mark Denni and Tom Hynes.

PUTTING UP POSTERS to advertise their annual Fashion Frolic are Girls' League board members, Julie Franklin, Sandy Simmons and Kathy Dukzeul. Girls are always attracted both to participate in and attend this activity.

YESHE ABERAHA

Foreign Students Introduced At Assembly

MRS. ANNAYU, PRES. BETSY HARWOOD

"Walk together, talk together, O ye peoples of the earth; and then only then shall ye have peace." This was the motto of the American Field Service whenever they introduced Miraleste's foreign exchange students to American teenagers.

Adding an entirely new dimension to campus life, Miraleste's AFS sponsored two exchange students. Sergio Pinto came to America from Garga, Brazil. Upon returning to his country after graduation, he has high hopes of becoming a surgeon.

Miraleste's other exchange student, Yeshe Aberaha, from Adua, Ethiopia, spent the year with the Rabinov family. Yeshe hopes to return to Ethiopia and benefit her country by becoming an engineer.

AFS's activities included two assemblies in which Sergio and Yeshe presented us their countries flags and, in turn, received the American flag.

Service Clubs Make Worthy Contributions

Miraleste's outstanding service clubs, Key Club, Interact and Girls' Service, had an active and worthwhile year.

The popular Spirit Week semi-formal was sponsored by Key Club. A District Convention held in April and the annual Key Club banquet highlighted the year. One of the club's greatest contributions to MHS was compiling a student phone book.

Interact began the year with an entry in the Rolling Hills Estates birthday parade. During the Christmas season, they held a canned food drive for needy families. Interact ended the year by honoring Pep Squad with an "appreciation party" for the support it had given to MHS.

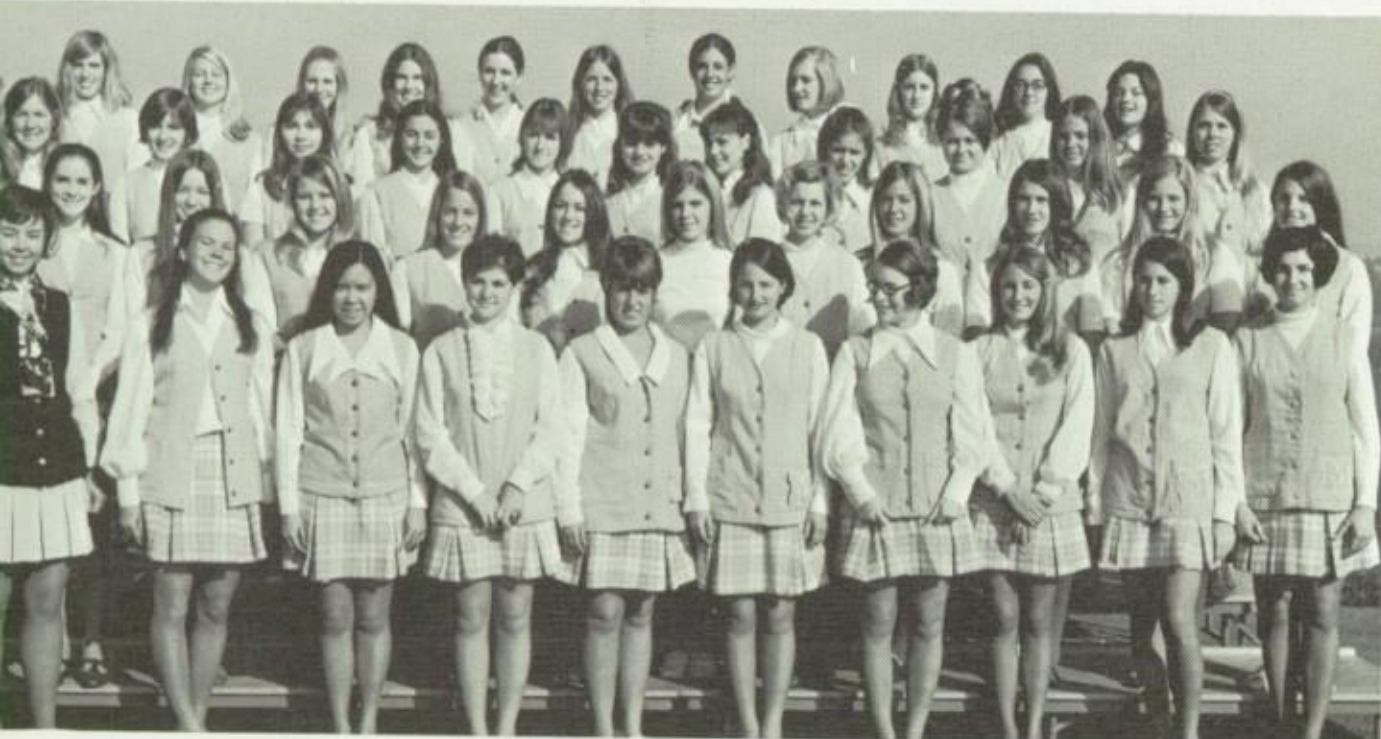

Girls' Service Club held a paper drive to raise money for a Korean orphan. Presents were collected at Christmas to give to poor families. The club also held its "George of the Jungle" dance and served as ushers at all school plays.

Varsity Head Cheerleader

Varsity Cheerleaders began their year by attending the Squaw Valley Cheerleading Camp during the summer. At the camp, they were awarded the Spirit Stick for the most spirited performance and the Spark Plug for being the sharpest, peppiest and funniest squad.

The cheerleaders (Helen Constantine, Sue Grillo, Peggy Babcock, Pat Hynes, Terry Whiteside, and Ruth Evans) led cheers at all football and basketball games, swim meets, water polo games and rallies.

Working after school and during weekends, varsity cheerleaders originated new cheers and skits and practiced hard to perfect their performance. After many hours of drilling, the hard-working squad attended the Arroyo Cheerleader Competitions in April.

"Eli's Coming" and "Hawaii 5-0" were only a few of the many lively and popular songs which the Miraleste songleaders chose for routine numbers. They performed at most football and basketball games, stimulating and entertaining the fans.

Seven talented girls, Carol Bramlett, Dayle Bruinsma, Renee Deterville, Elisa Ingrassia, Betty Ann Rhoads, and Robin Thomas, promoted spirit for the Marauder teams by selling pep tags and making pep signs. They also supported the teams themselves by making goodies for them after games.

The songleaders attended a songleading camp at Squaw Valley during the summer. They received several superior and excellent ribbons during daily competitions. They were also awarded the first place superior trophy for overall excellence in dance routines and spirit. The songleaders also entered the competition held at Arroyo in March.

Crowds Applaud for Drill Team

Miraleste's Drill Team, Las Banditas, saw many changes as its second year progressed. Under the direction of Mr. Diann Sutherland, captain Jill Strohecker and co-captain Jill Dean, the girls trained recruits, who later tried out to become permanent members. The entire Drill Team was enthusiastic and eagerly supported Miraleste's teams.

Football half-time entertainment was provided by Las Banditas on two occasions. One routine was performed to "Up, Up And Away." Hand routines were used to accompany many of the cheers. Basketball game crowds enjoyed two Drill Team performances. Unique dance routines to songs like "Mame" showed the creativity and talent of Las Banditas.

Original marching and dance techniques were successfully employed. Balloons, maracas, hats, and canes were several of the interesting props which added to the routines. New uniforms were designed and made by all members, and a bottle drive was sponsored to raise money for accessories. Las Banditas contributed never-ending spirit to MHS.

Christmas Concert Is Grand Success

Many students were given the opportunity to participate in musical programs. This year the Miraleste music department put on its second annual Christmas and Spring concerts. While the Girl's Ensemble, under the direction of Mr. Tom Ridley, performed songs of a more popular nature, A Cappella Choir and Madrigals, directed by Mrs. Wilma White, concentrated on music with a more serious tone. The Madrigals were given the opportunity to appear off-campus at the PVHS Music Festival.

Alice's Restaurant Provides Laughter

"You can get anything you want at Alice's Restaurant" was the theme of the Folksingers Club Fall Hootenanny. The talented group, sponsored by Miss Vivian Zuvich, planned other activities such as a PTSA "Family Night" and individual shows for the Humanities Department. The money earned went towards financing group trips to folk concerts.

The Pep Band was kept busy playing at pep rallies, football games and home basketball games. Mr. Tom Ridley conducted the spirited group at the Christmas and Spring concerts. Their final performance was at the first MHS commencement ceremony.

"WHAT A SIGHT to see first thing in the morning," states an anonymous member of Sound Crew as he walks into the sound room and greets one of his brothers.

Members of Sound Crew had the great responsibility of procuring and setting up all sound equipment which was needed for rallies and school assemblies. Several of them also assisted with the daily announcements.

Amateur Radio Club began the year by setting up a number of field trips in which they adventured into open fields to broadcast to other parts of the United States. They also attempted to set up their own station.

Gazort, the newest formed club at Miraleste, was responsible for most of the publicity for dances and other school activities. During the month of December, members collected bars of soap to give to an orphanage.

THEATRE ARTS CLUB members were busy workers for "Mrs. McThing". They spent many weekends constructing sets for the play.

"WHAT IF your mom finds out that we took her sheets?" Laurie Hopkins asks Lynn McDaniel while they tie-dye for Art Club.

"NOW THAT I'VE GOT the hammer, what's it for?" wonders Theatre Arts Club member Bob Miller.

Artists Skillful in Drama and Creativity

Theatre Arts and Art Club gave many Miral-este students a chance to pursue their individual interests through activities and field trips.

Theatre Arts Club members assisted the drama department with their productions throughout the year. They built sets, helped apply make-up, and worked on advertising the coming plays. The club attended many plays such as "The Great White Hope" and "Idiot's Delight" at the Music Center.

Leather goods, ceramics, jewelry, and rugs were made by Art Club members and sold at the annual "Art for Funds Sake" and the school's Christmas Sale. The club often took field trips to local galleries and weekend trips for sketching.

FTA Members Help Teachers

FTA started a new and highly successful program. Interested students were placed in local elementary and intermediate school as teachers' aids. They helped them with the preparation of subject matter, tutoring slower students, grading papers, and running off dittos. This program proved to aid both the teachers and the students, who gained valuable experience in the classroom.

A tour of Kaiser Hospital and the Health Careers Day at Marymount High School were the major activities of the Health and Nursing Club. Members were given the opportunity to gather knowledge in a subject area which might become their chosen vocation.

Under the supervision of Mr. William Maynard, the Manager's Club members devoted their time and effort in service to Miraleste athletics. They were managers to varsity, junior varsity, bee and cee teams. It was their job to be responsible for equipment and first aid.

WHILE Jim Roberts intelligently gazes at the ceiling, the TORREON sports editor, Cindy Mott, ponders before writing a sentence.

The TORREON was a good newspaper. It had very nice staff members and an advisor. There were fifteen editors and a few helpers. Almost every two weeks an issue came out, unless circumstances beyond their control delayed it. There were five sections in the paper. They were editorials, news, features, sports, and fine arts. The staff had a Christmas party in December. They even had a Christmas tree. It was very pretty. They also got to have birthday parties every two days.

Varsity Football Captures 3rd in League

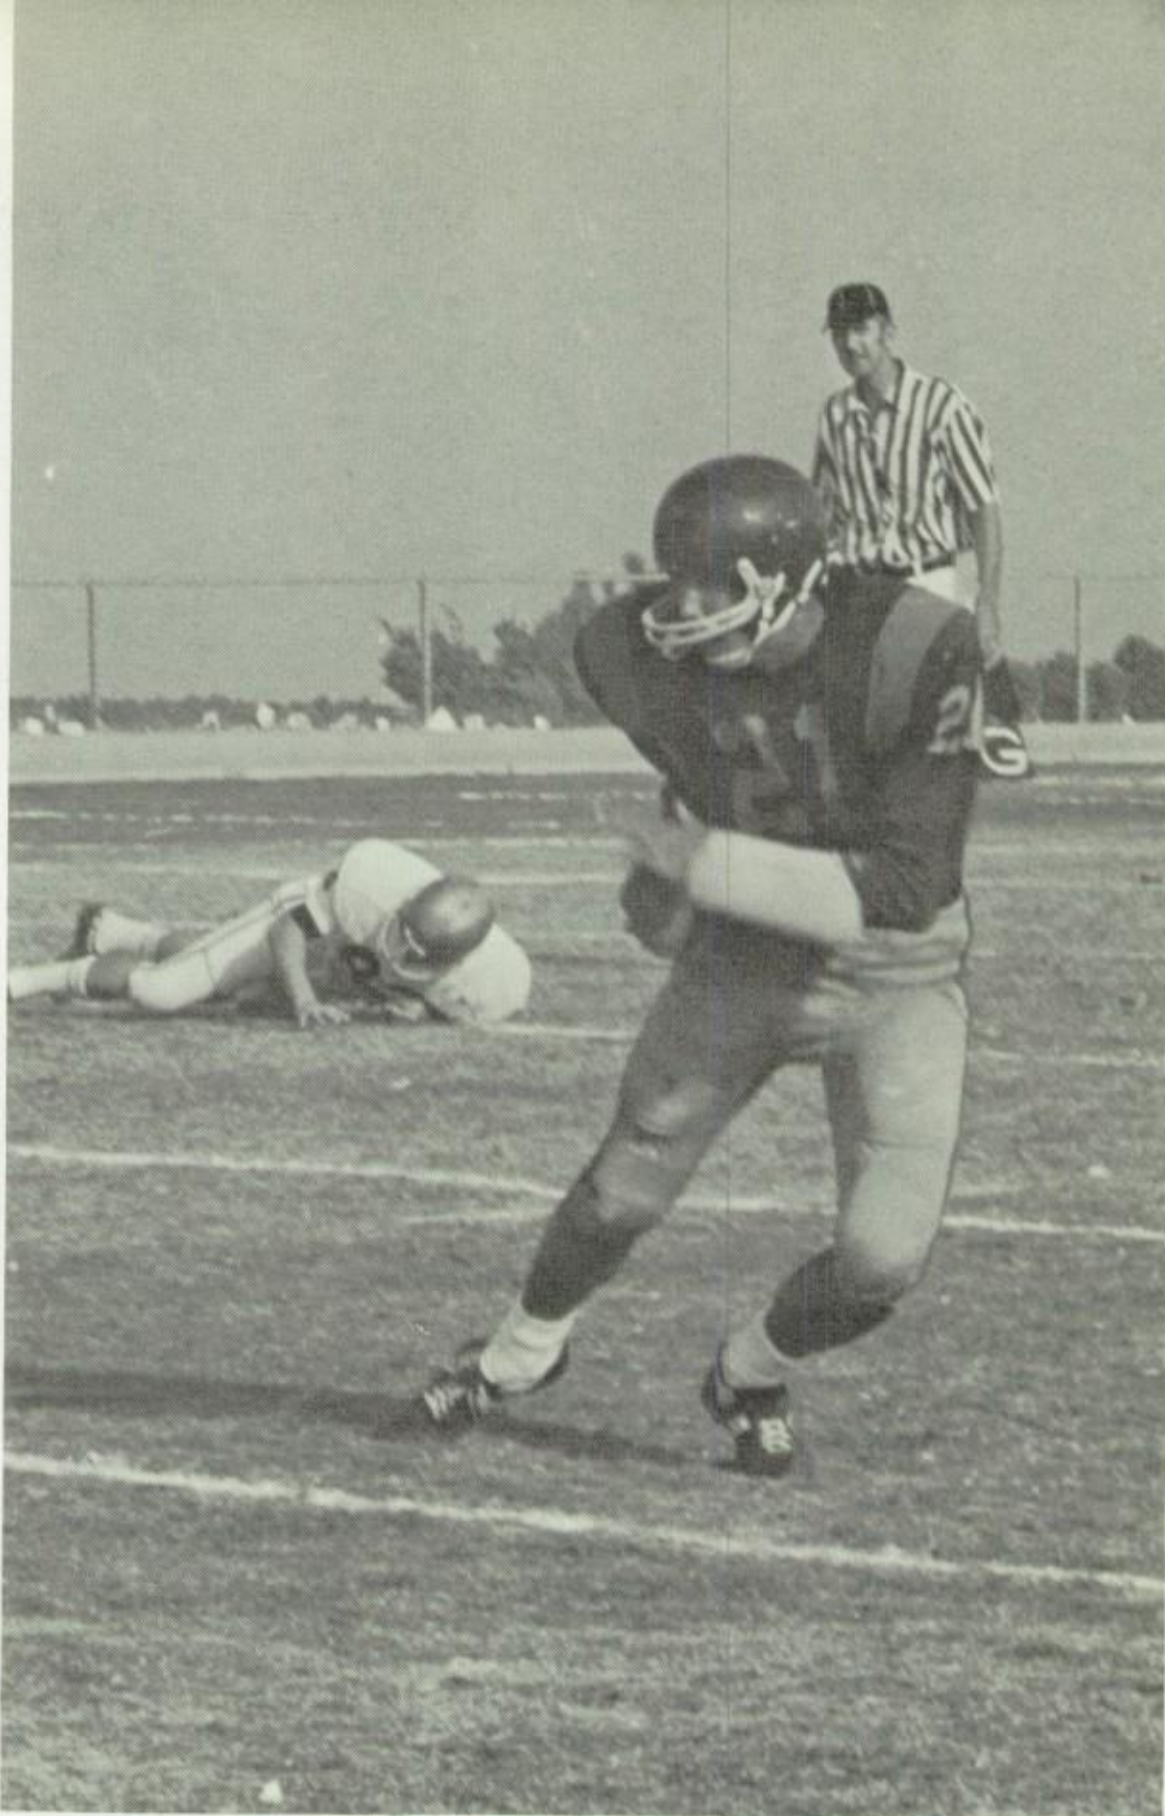

The Marauder varsity football team performed its greatest record in the history of Miraleste. The spectators were thrilled when the team swamped Harvard for the first game of the season, and were continually excited the remainder of the year.

Our team achieved 3rd place in the Pioneer League competition. The Marauders fought hard, but could not overcome the undefeated Rolling Hills team. The tension rose during the game against Lennox, which MH finally won by a score of 28-26.

The Pioneer League chose four offensive and defensive Miraleste players to be on the all league team. The offensive Marauders were Carl Peternell, fullback, and Steve Denny, lineman. The defensive candidates were Jeff Vance, right linebacker, and Reg Rasner, tackle. Their successful teamwork led to many great victories. Coach Wilbur Lucas and Coach Tom Graves were pleased with the results.

Dave Tenn, Keith Carter, Jeff Vance, and Bill Olson break up the Culver line to let back, Dave Jackson, through.

Marauder half back, Dave Tenn, starts a drive for yardage after breaking the tackle of an opponent. Tenn was instrumental in Miraleste's yardage gained department.

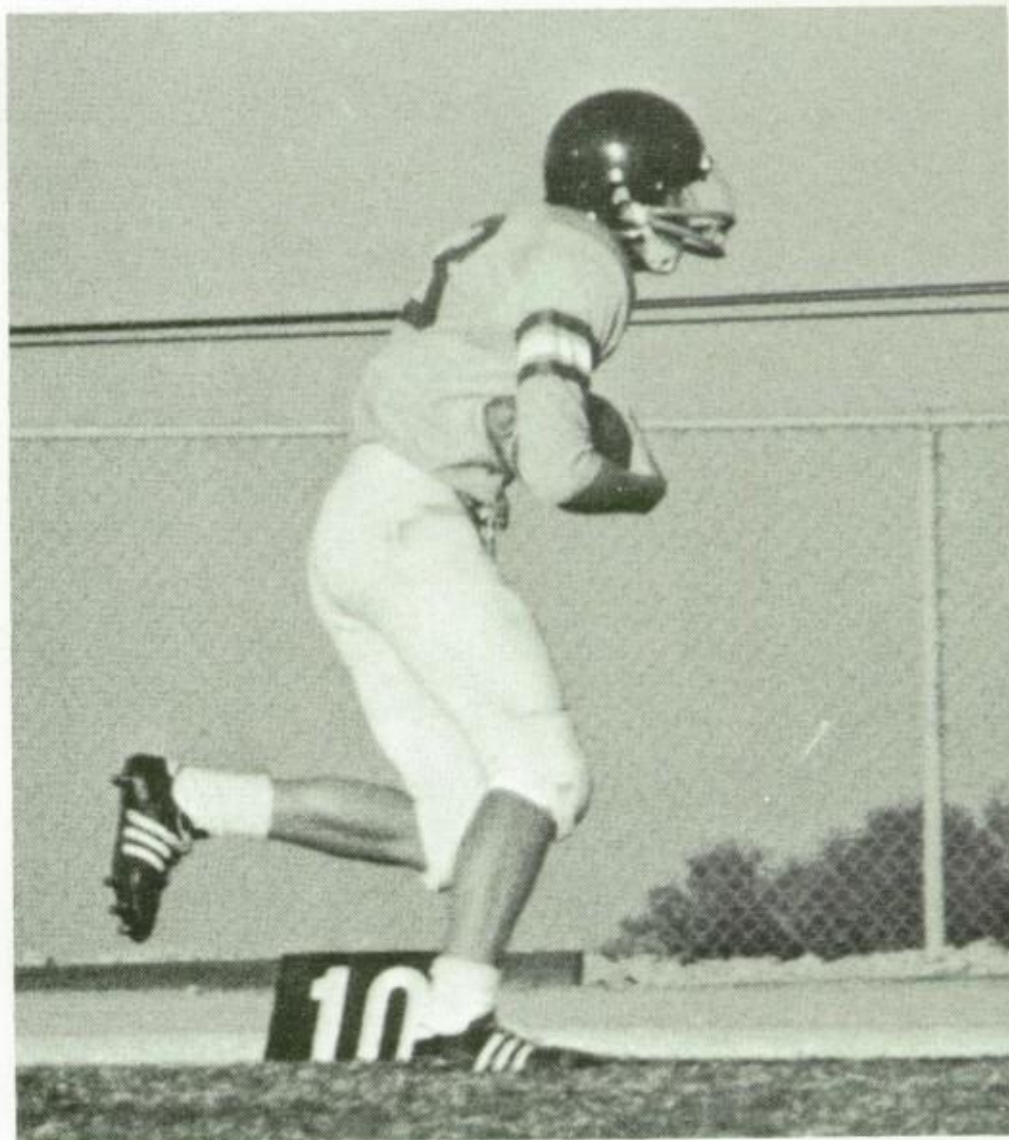

Fullback, Carl Peterzell, starts to turn on the speed as he follows block made by Dave Tenn after receiving a handoff from Marauder quarterback Lee Handley.

JV'S Take Second Place With 4-1 Record

Miraleste's junior varsity football team proved to be a great threat in league competition. Coach Tom Graves lead the Marauders to an admirable second place in the Pioneer League. Junior varsity completed the season with a league record of 4-1, and a 7-2 record in total competition.

The morale soared high for the JV's when they were victorious in their first league game, defeating Harvard, 26-0. Outstanding players were fullback Whit Pope and linebacker Scott Nash.

BALL CARRIER Mike Doran sidesteps to avoid the grasp of an oncoming Titan opponent as he races downfield for yardage on a kickoff return.

THE ROLLING HILLS ball carrier is over-powered by Jeff Gray as the Marauder defense succeeds in stopping their opponent in pre-league action.

IN A TOUGH game against Avation, Fred Hummel breaks up a pass, keeping a desperate attempt for good field position from the hands of the Falcons.

A TITAN ball carrier prepares for the worst as two Marauder players do their thing and drop him for a loss.

Bees and Cees Have Very Successful Year

The Miraleste Bee football team ended their season with a fantastic record of 7-2. The Bees greatly improved from a 0-9 season last year to place 2nd in their league. Under the talented supervision of Coach Dugan and Assistant Coach Duzinske, the team played well and had a very rewarding year.

The team came up with many surprises, including, to the total amazement of many spectators, the conquering of an undefeated school, El Segundo, 28-6. 14 interceptions made it possible for the Bees to maintain a 20 point game season average.

A Marauder two punt return against Los Amigos began the spectacular season for the Cee football team. Under the supervision of Coach Larson and Assistant Coach Towers, the team finished a mildly successful season this year with a 3-4-1 record.

The Cees were tied for 4th place in the Pioneer Lagu, after placing 5th in the league last year. The highlight of the season was a 75 yard touchdown by Marauder Mark Doran against Los Amigos.

"MAKE a hole big enough so that a Mac truck can get through it!" is a common cry of all coaches and a cry Ken King seems to understand well.

Water Polo Reigns As "King Of The Hill"

A MIRALETE water polo player carefully prepares to make a goal against Rolling Hills, who was defeated by the Marauders.

OBSERVANT SPECTATORS received many thrills watching Scott Davey in action. All the home games were at the Kramer Club.

For their second consecutive year, Miraleste varsity water polo tasted success. The varsity opened the season by capturing second place in the Valencia Tournament. Top player for the Marauders, Dave Kintas, was selected by the tournament coaches for the all tournament first team.

The Marauders marched on to victory and became "king of the hill" by stomping arch rivals Rolling Hills, 14-8, Palos Verdes, 16-8, and Fermin Lausen, 14-10. These games proved to be the highlights of the water polo season.

Two Marauders were honored with selection to the Pioneer all league team. Junior Dave Kintas was selected unanimously by the coaches as forward. He was varsity high scorer for the season with 55 goals. Senior Brad Hillinger, with 35 goals, was voted to the all league second team.

Water polo ended their successful season with a record of 8 wins and 4 losses. With many experienced juniors and sophomores returning to the line-up next season, the Marauder future looks bright against league competition.

The Bee water polo team, composed largely of first year men, yet led by seniors Chris Kimble and Eric Rosen, completed a successful season. The Bees won 6 of their 12 games for a .500 win-loss percentage record.

High scorer was Don Wattenbarger, who captured 26 goals in 12 games. With the experience obtained by this season, prospects look bright for future league competition.

The Marauder Cee team had an outstanding season, winning 8 of their 12 games. Inexperienced freshmen composed the majority of the team. However, they managed to form an efficient unit. Rick Ingrassia led the Bee's scoring by sinking 43 goals in their 12 games.

The Marauder wrestling team finished the year with an impressive season record of 5 wins and 6 losses. According to Coach Kirsten Brelsford, "Their history is in their future." Standout wrestlers were Bud Smith, Dave Jeans, and Bruce Smith, all of whom finished 2nd in the Pioneer League.

The outstanding varsity wrestler was Joe Dean, who chalked up 24 wins against 5 losses. Dean captured first place in the Ventura, Peninsula, and Pioneer League Tournaments.

At the Award's Banquet, major wrestling honors were captured by Joe Dean, Most Valuable Player; Pete Zamfirescu, Most Improved Player; and Bruce Smith, Most Consistent Player.

RUNNING UP to come to the aid of his teammate, Marauder Dave Jackson gets in position to receive a quick pass from MHS guard Jim Small.

MHS Varsity Cagers Make it to CIF

IN THE CLOSE BATTLE for first place in league, Dave Tenn shoots against Aviation.

FORWARD Kevin Butler dribbles around opponents in order to gain shooting position.

The Miraleste varsity basketball team had a most spectacular season. Under the direction on Coach Lyle Newcomer, the Marauders increased their speed the skill to such an extent that they captured 2nd place in the Pioneer League. Bowing only to Aviation, the team swamped all other opponents to obtain an 8-2 record.

Having secured their 2nd place in the league, the basketball team was entitled to enter CIF competition. But the Marauders were stopped short when they lost their first CIF game against Ranchos Alamitos.

The varsity team consisted of outstanding players. Bart Lebon was chosen for the all-league 1st team and 2nd all-CIF team. Dave Jackson, Carl Peternell and Dave Tenn were chosen to be on the 2nd all-league team, while Kevin Butler made 1st all-Peninsula team.

Cee Basketball Becomes League Champs

Miraleste's Cees became the first basketball team in the school's history to win the Pioneer League championship. After dropping their first league game, the yearlings came back to take nine straight and capture first place. The overall record was 16-6.

Coach Dan Phillips summed up the Cee's season with these words: "Our success can be attributed to excellent rebounding, a great deal of conditioning, and most important, the belief that we couldn't be beaten."

Marauder standout was Cees Captain Bob Burns, who led the squad in both scoring and rebounding. Steve Argabright and Brad Perkinson also played consistently well.

The junior varsity basketball team placed 3rd in league, with 4 wins and 6 losses. Their total season record included 9 wins and 13 losses. The Marauder Bee basketball team ended their season by taking 4th in league by winning 4 and losing 6 games.

THE 800-YARD school record is broken by Marauder Chris Kimble.

APPROACHING THE FINISH LINE in the varsity 110, Scott Mills takes first place for Miraleste.

MIRALESTE HIGH HURDLERS Ron Schoof and Glen Joyce take the lead.

Miraleste Track Shows Its Great Strength

THE FINAL QUARTER of the 440 relay finds John Scott passing to Scott Mills.

FIRST IS taken by Joe Nebolon in the Bee 110-yard race. Don Murray is second.

Strengthened by an increase in precision and speed, the Miraleste track team achieved their most successful season. Coached by Mr. William Maynard, Mr. Norman Towers and Mr. Richard Henkel, the varsity, Bee and Cee divisions broke a majority of last year's records.

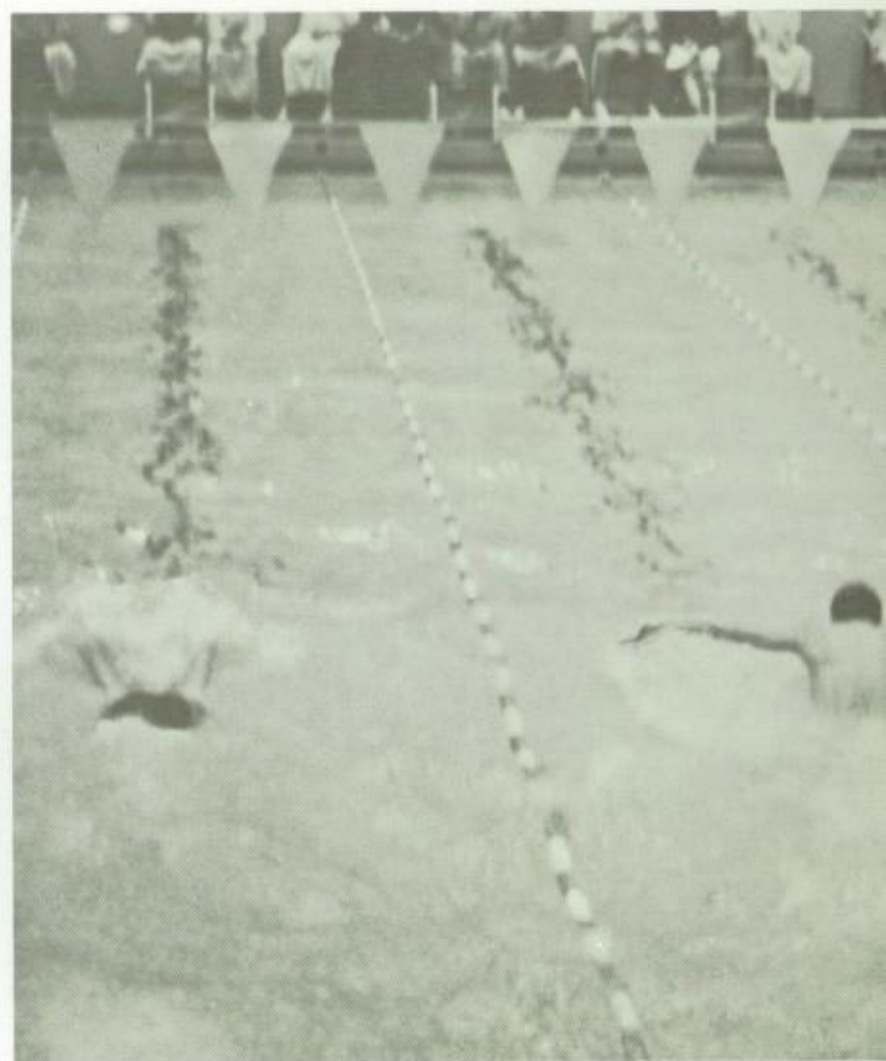

Undaunted by their first loss against Redondo, the Marauders delivered a crushing blow to Valley Christian in the next meet. The team put up a hard fight against rival Rolling Hills, both varsity scores being fairly even during most of the meet. Miraleste finally fell behind and took a loss in all three divisions.

The team excelled in both track and field events. Particular strength was found in Ron Schoof's fantastic ability as a hurdler, sprinter and middle distance runner. Pole vaulter Corey Wolfe placed in several meets for Miraleste.

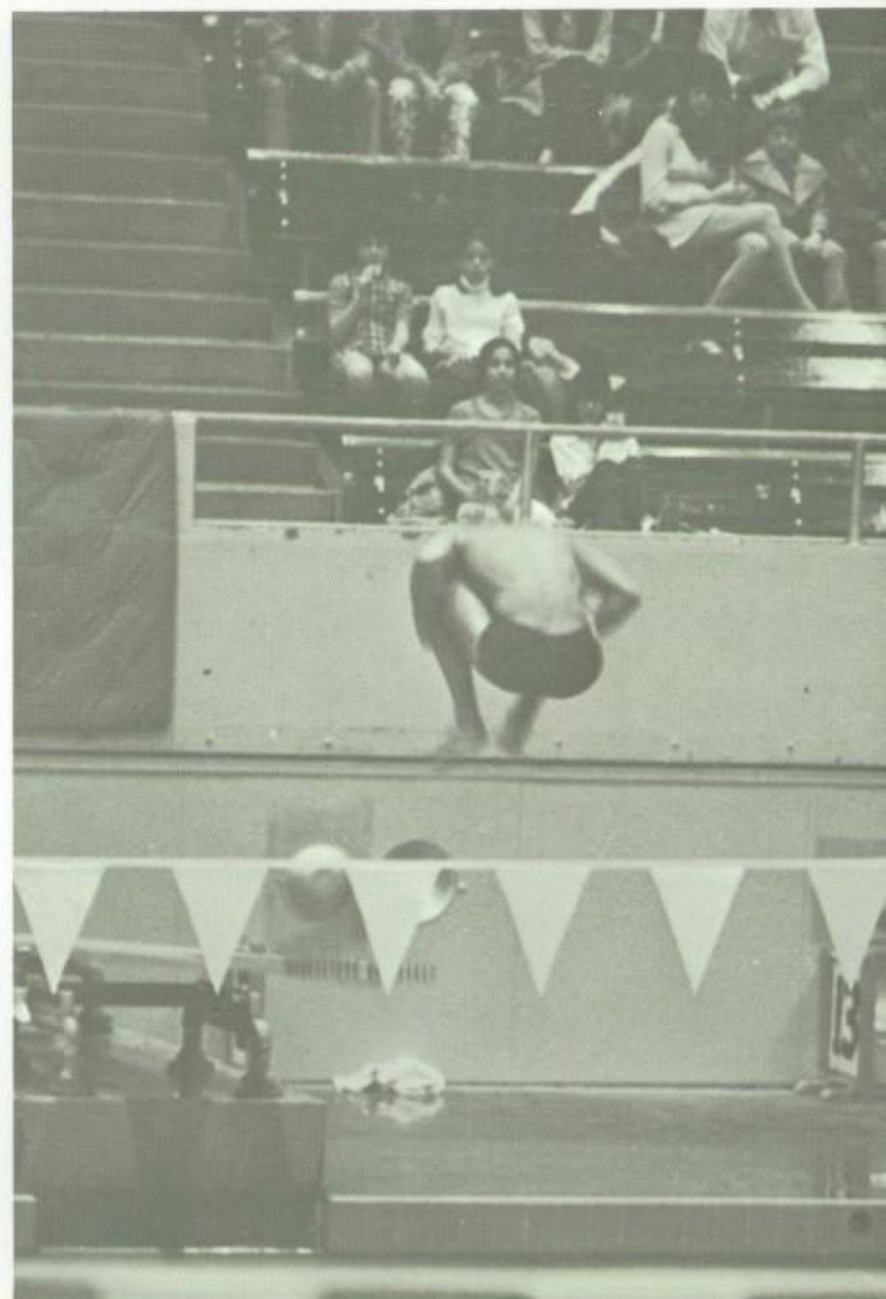

Other varsity standouts included Keith Carter, Mike Doran, Richard Fox, Glen Joyce, Chris Kimball, Scott Mills, and Dave Ridgeway. The Bees were led by Pat Milburn and Joe Nebolon. Larry Harris and Ron Kowallis were outstanding Cees.

IN LANE FOUR, Bob Currie shows starting form that won him fourth in Peninsula Invitational and Bee CIF Championships.

BEE SWIMMER, Rick Roemer, struggles for second in Butterfly at League Championships.

MARAUDER DIVING TEAM member Norm Kowallis, deftly maneuvers himself into the tuck position and executes an especially difficult dive.

THE BUTTERFLY STROKE is a grueling way to get from one side of a pool to the other but determination prevails.

DETERMINATION AND ENDURANCE mark the expression of Marauder varsity swimmer, Dave Kintas, in the tiring Butterfly.

Varsity Swim Team Is Victor in League

Varsity swimmers took first place this year with smashing victories over most of the other Pioneer League teams, the only exception being the El Segundo Meet, where they had to fight for every point they received. They also took first place in the annual Valencia Invitational.

Continuing their great record, the team fought hard to gain second place in the Peninsula Invitational. This year's outstanding varsity swimmers were Dave Kintas, Brad Hillinger, Scott Davey, Scott McElhaney, Ken King, and Ben Francis. As Coach Al Cosby stated, "Without a doubt, these boys got us into the finals." This was a very exciting year for all participants and enthusiastic watchers.

Many Marauders established new records this season, breaking standing Pioneer League and CIF records. One of these was Mike Patterson's 200-yard freestyle. Another was set by the medley relay team. One of the most thrilling meets this year was against El Segundo, which ended with a tight score of 53-42. The swimmers and their coach ended the year with a well worked for season record of 11-1.

Varsity Swimming--Row 1: Coach A. Crosby, Norman Kowallis, Ken King, Brad Hillinger, Bob Currie, Walt Taylor, Jim McCarthy, Scott McElhaney, Mike Patterson. Row 2: Pete Baldrige, Bob Bonde, Jeff Roemer, Kevin Reynolds, Ben Francis, Scott Davey, Mark Hollingsworth, Dave Kintas.

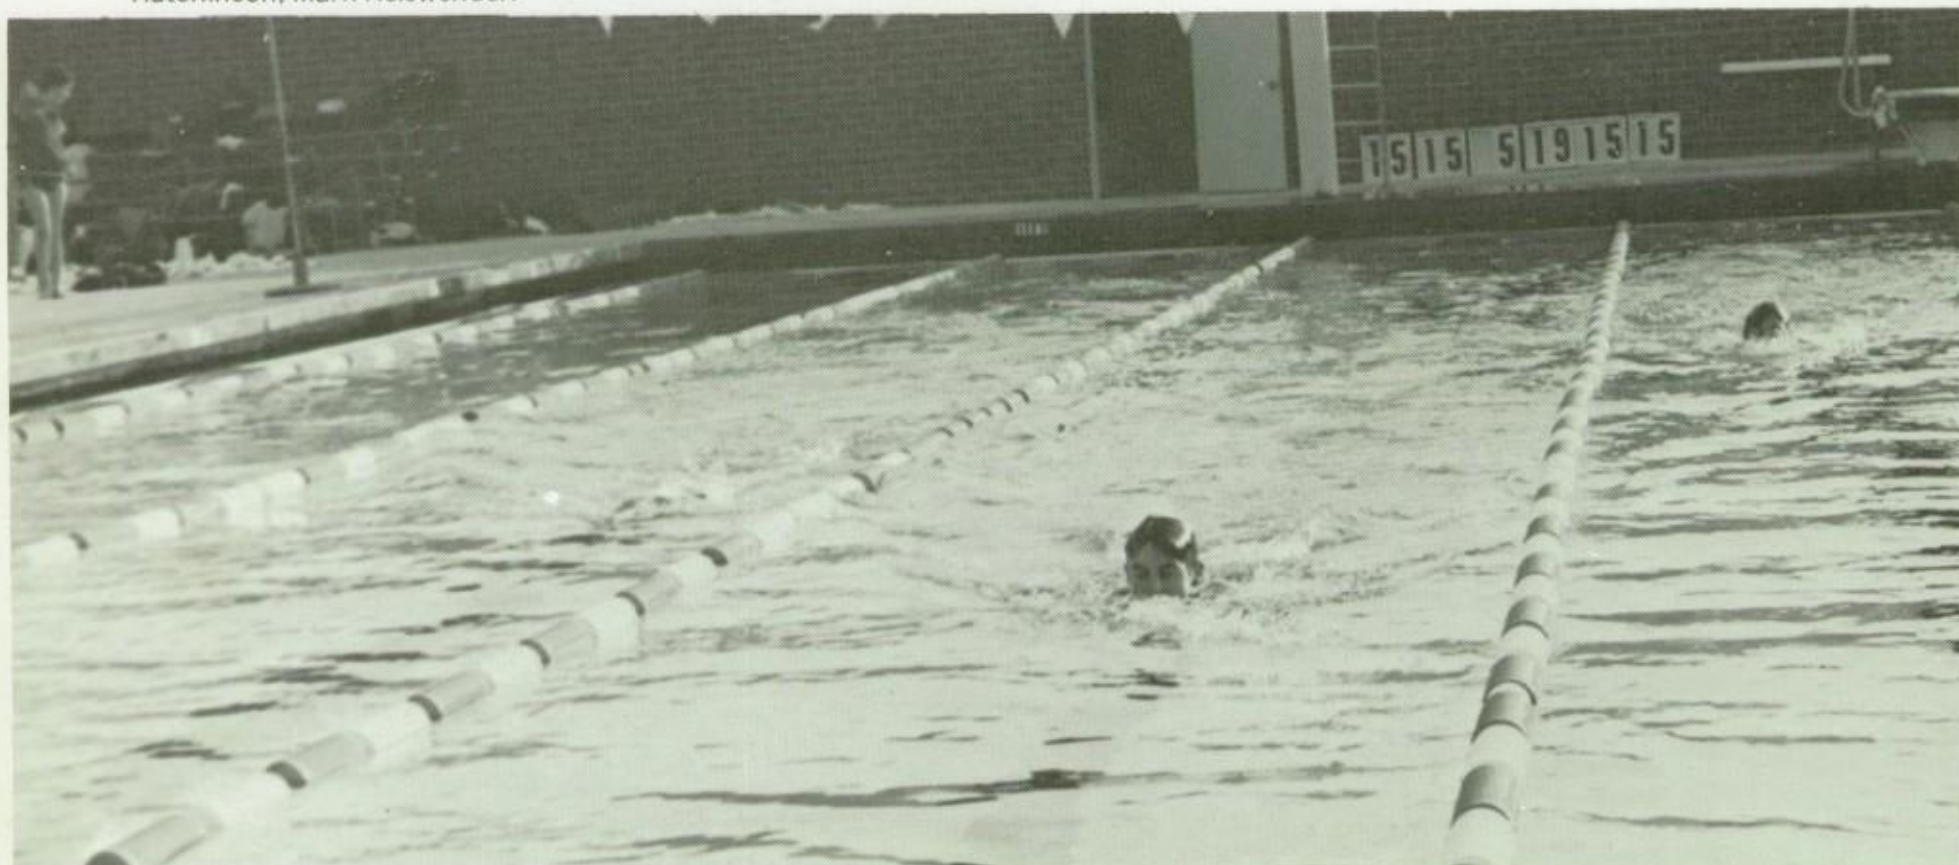

Bee & Cee Team Show Success

Cee Swimming--ROW 1: Allan McCall, Todd McElhaney, Bob Forest, Mark Thielke, Mark Buker, Bob Leddy, Rick McCarthy. ROW 2: Bob Barclay, Mitch Tinnan, Joe Morse, Bill Duggins, Rick Ingrassia, Bruce Hutchinson, Mark Neiswender.

"THIS POOL must be a million miles long!" sputters a novice swimmer.

LEAGUE CHAMP Mike Patterson was in 100 and 200 yard Freestyle.

"A AARRKKK!" yells Pete Baldrige who usually dives flawlessly.

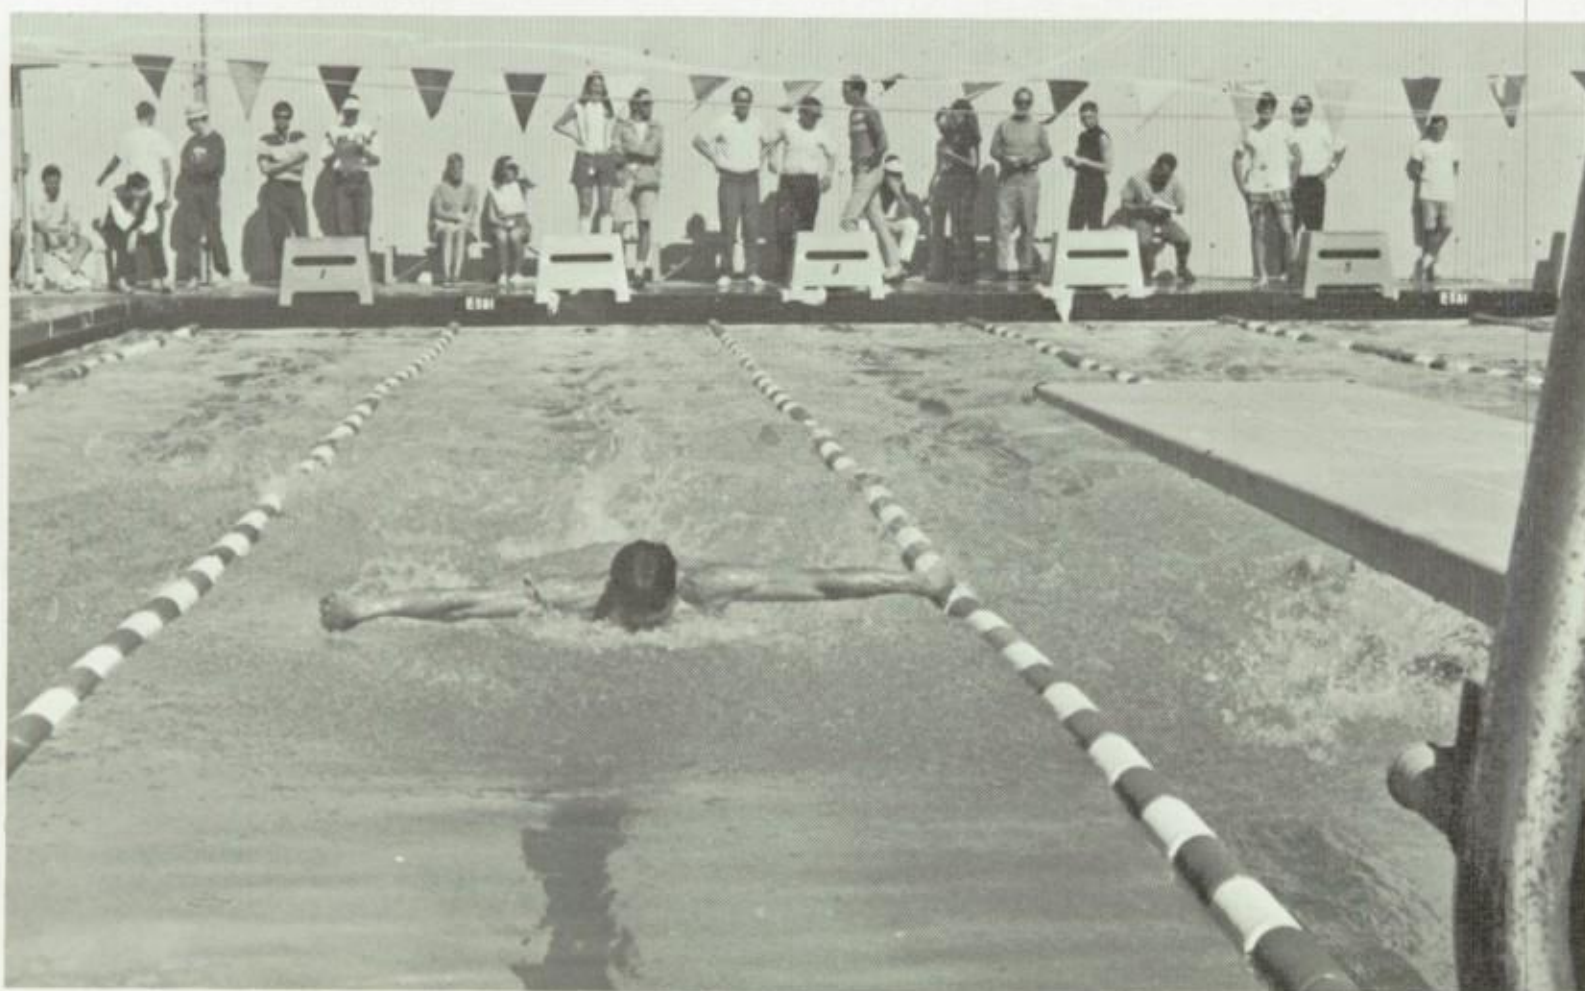

Bee Swimming--ROW 1: Larry Haverstock, Rick Roemer, Tom Hynes. ROW 2: Don Wattenbarger, Dana Slater, Jim Elverum, Sergio Pinto.

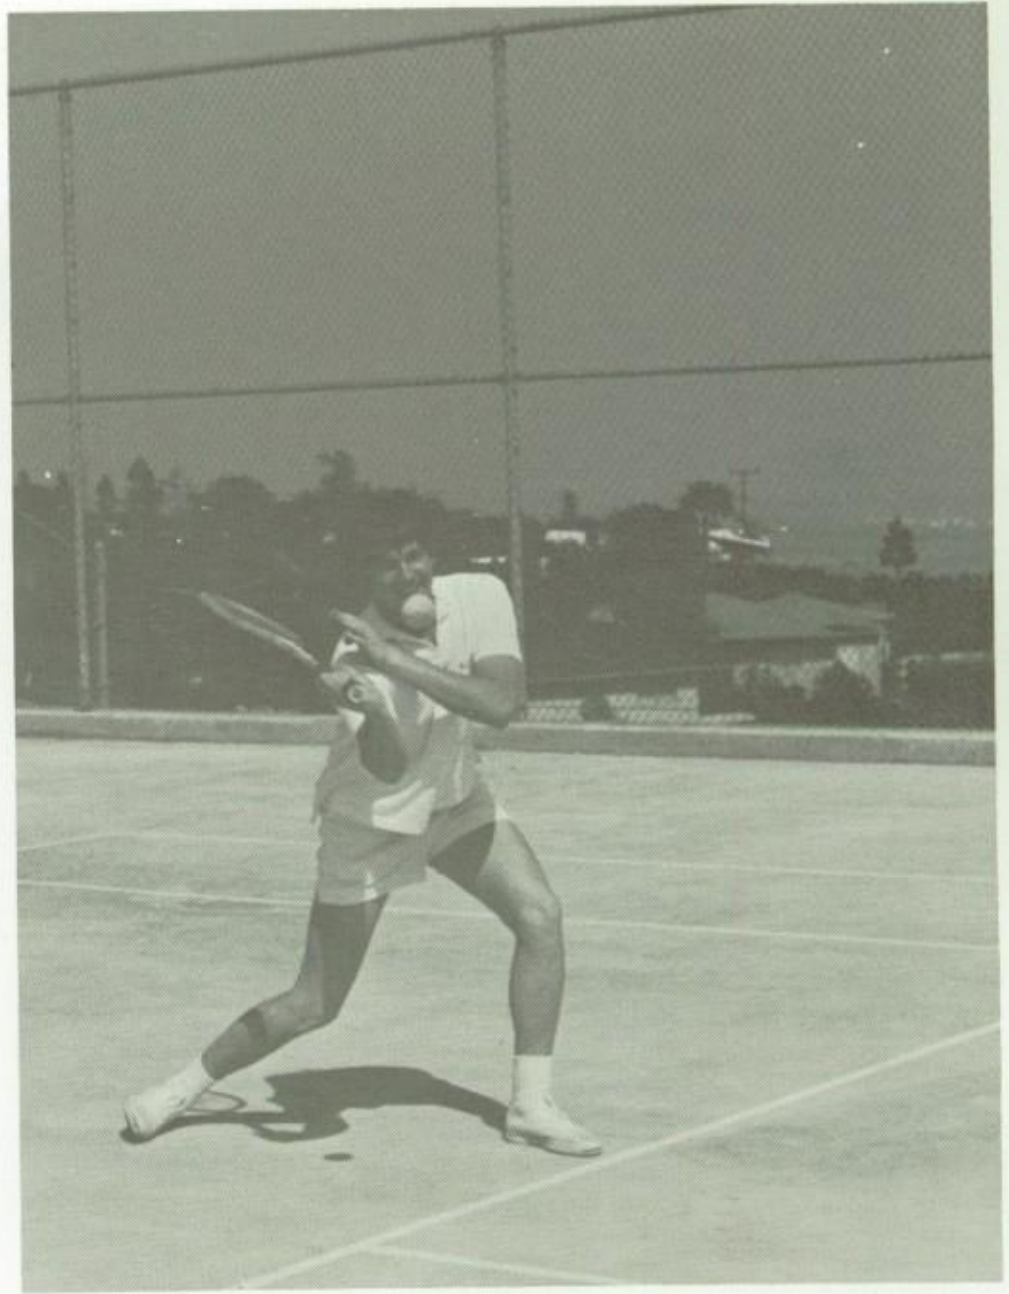

This year proved especially successful for the Bee and Cee Marauder swim teams. The hard-fighting Bees highlighted their season by driving their opponents "down under" in a successful bid for first place in the CIF Southern Section Relays. Their winning spirit was sparked by Chuck Schneider and teammate Rick Roemer. They continued their winning ways at the Valencia Relays where they captured second place, doing their share to help the Marauders take first in overall points. And they completed the great season at the Peninsula Invitational by taking a 5th to end up 4th in the Pioneer League.

The Cees were triggered to greatness by Rick Ingrassia and a wave of fear struck the hearts of all opponents when Mark Becker and Bob Leddy took to the water. All this greatness added up to a 3rd in the Valencia relays for the mighty Cees, who finally culminated their season with the topping crown of second overall in the difficult Pioneer League.

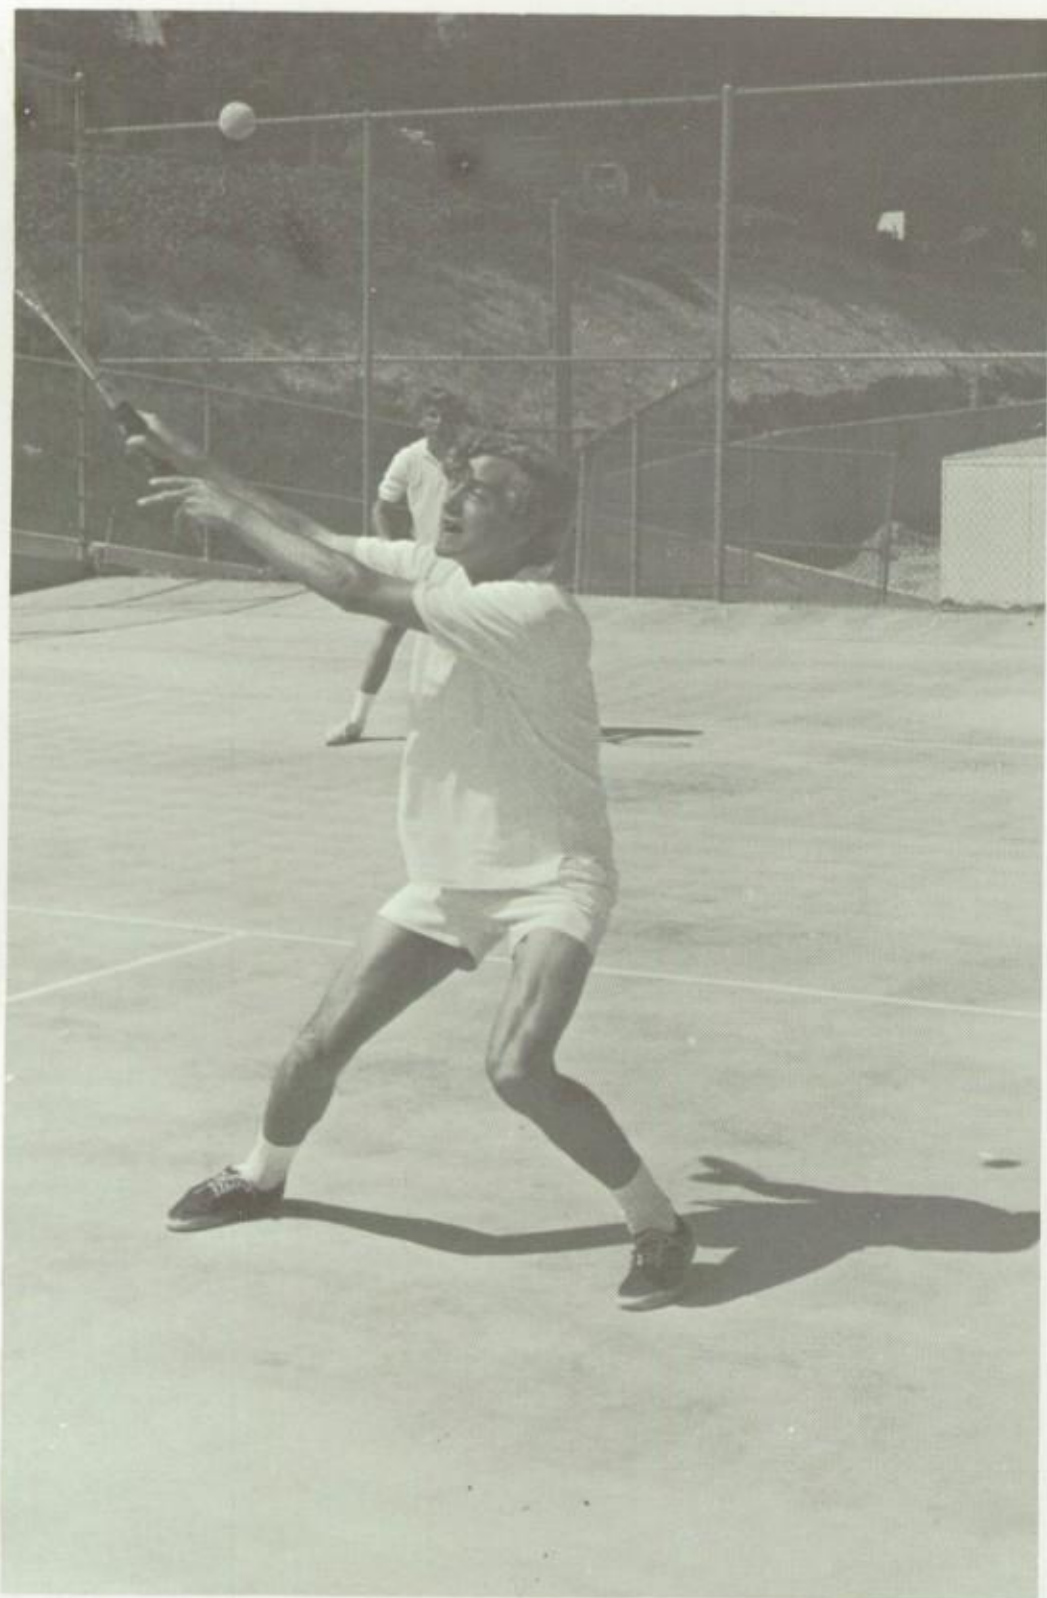

SOMEWHAT ANALOGOUS to the fine machinery of a train, a MHS swimmer chugs up the track with strength and precision.

THE TECHNIQUE in the return, shown by Steve Schultz, is all important.

TENNIS--ROW 1: Tony Stalino, Rick Collins, Mark Wyman, Mark Ellis, John Kuwata, Tom DeVaul. ROW 2: Robert VanLone, Rick Walker, Scott Benson, Mark Thomas, Lindsey Olson. ROW 3: Mark Dessey, Scott Brittis, Steve Shultz, George Harwood, Tom Scharffenburger, Larry Olson, Cortney Heater.

POSED for a powerful slam, Tom Sharffenberger shows winning stance.

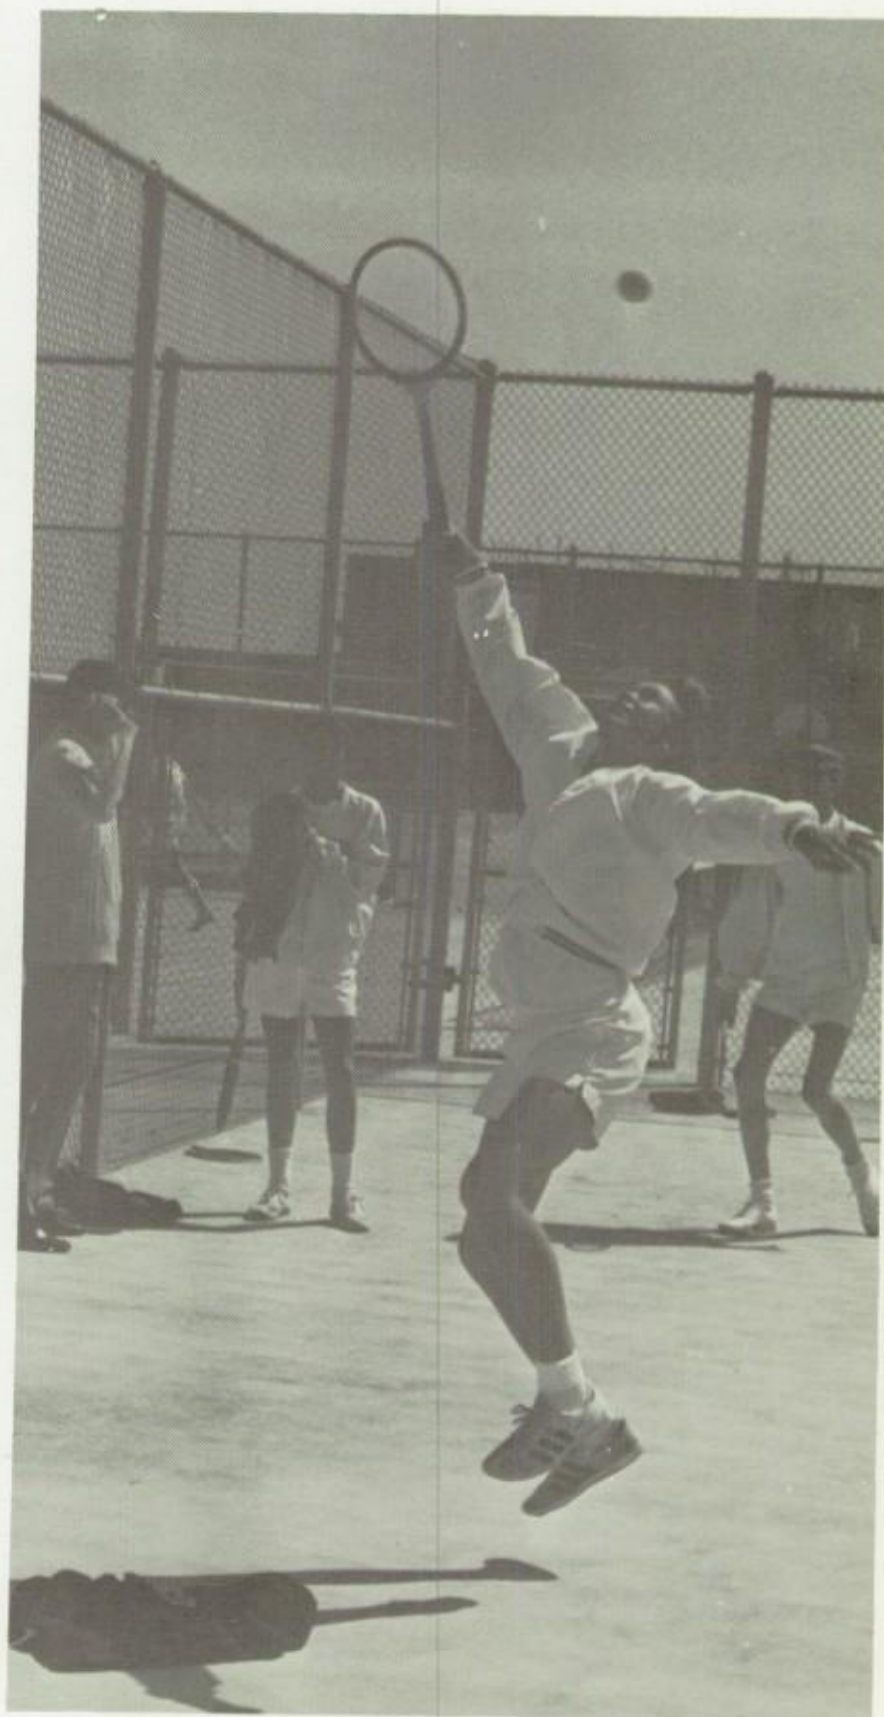

Marauder Tennis Team Hits Back

Miraleste's varsity tennis team started off their league competition by defeating El Segundo by a score of 6-1. The team was coached by Mr. Francis Lowery.

As the season progressed, Mr. Lowery had high hopes for placing second in CIF finals. An increase in players from last year heightened their success.

With the experience of last season behind them, the team improved in speed, accuracy and skill. Among the outstanding players on the varsity team were Mark Dessy, Larry Olson and Steve Schultz.

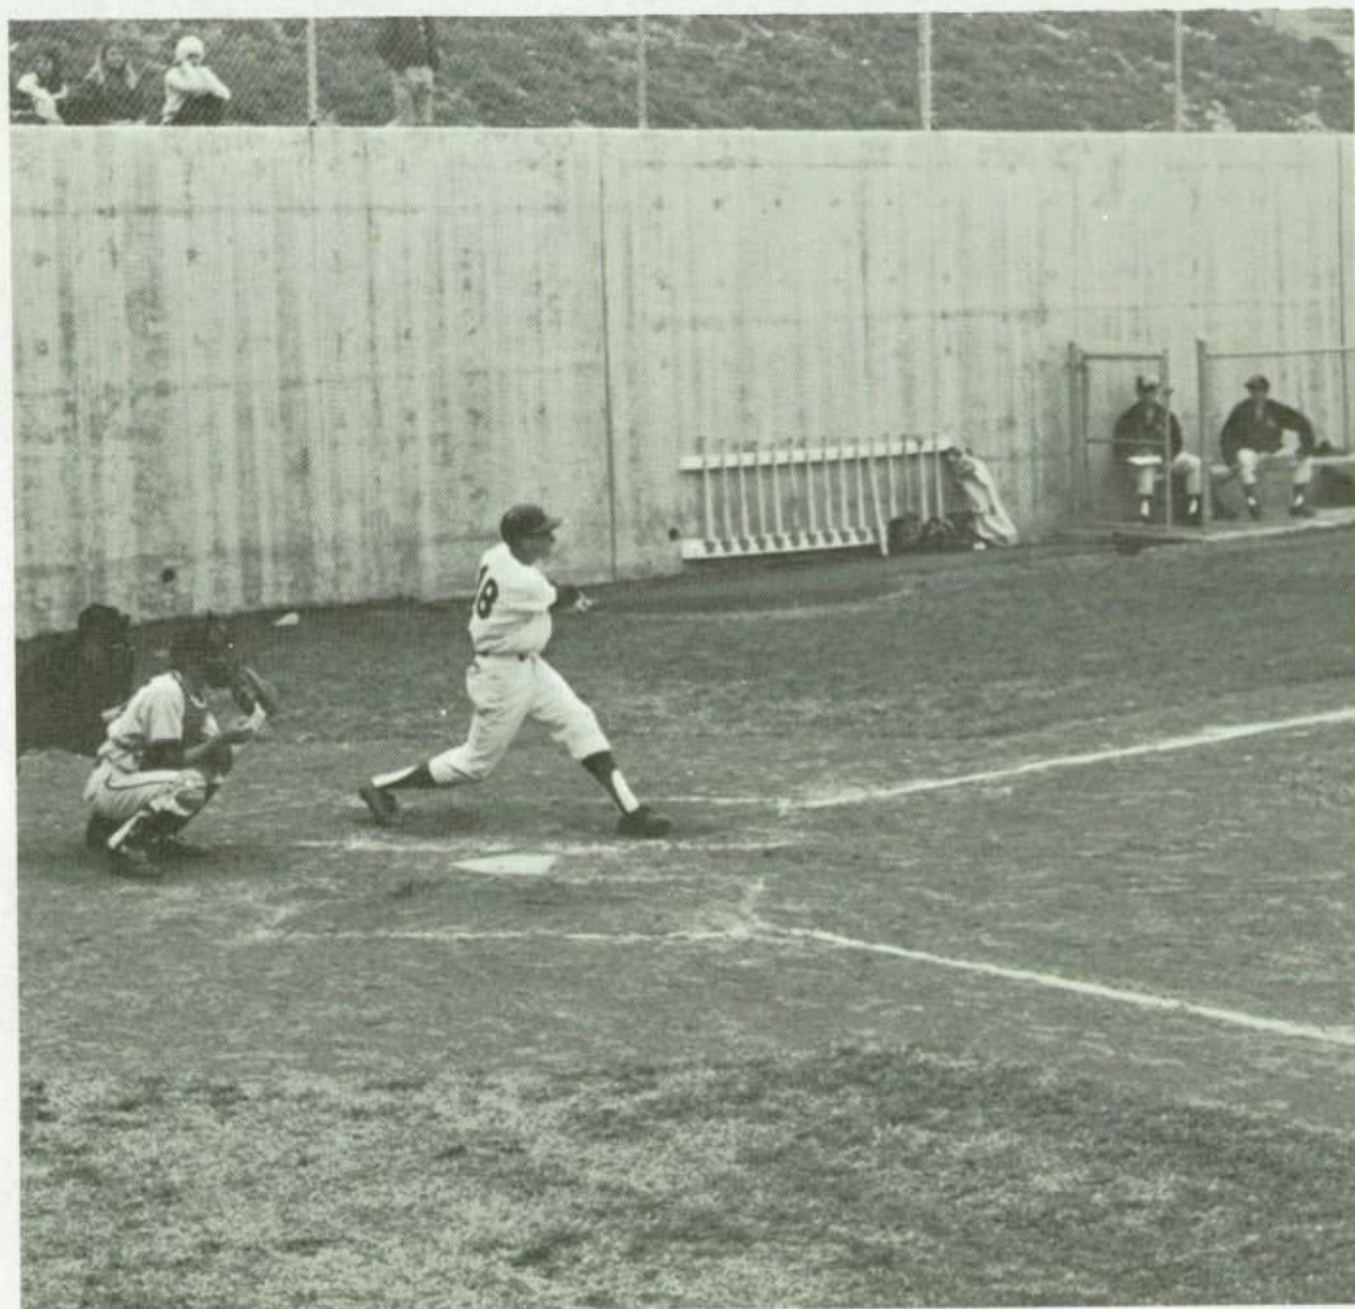

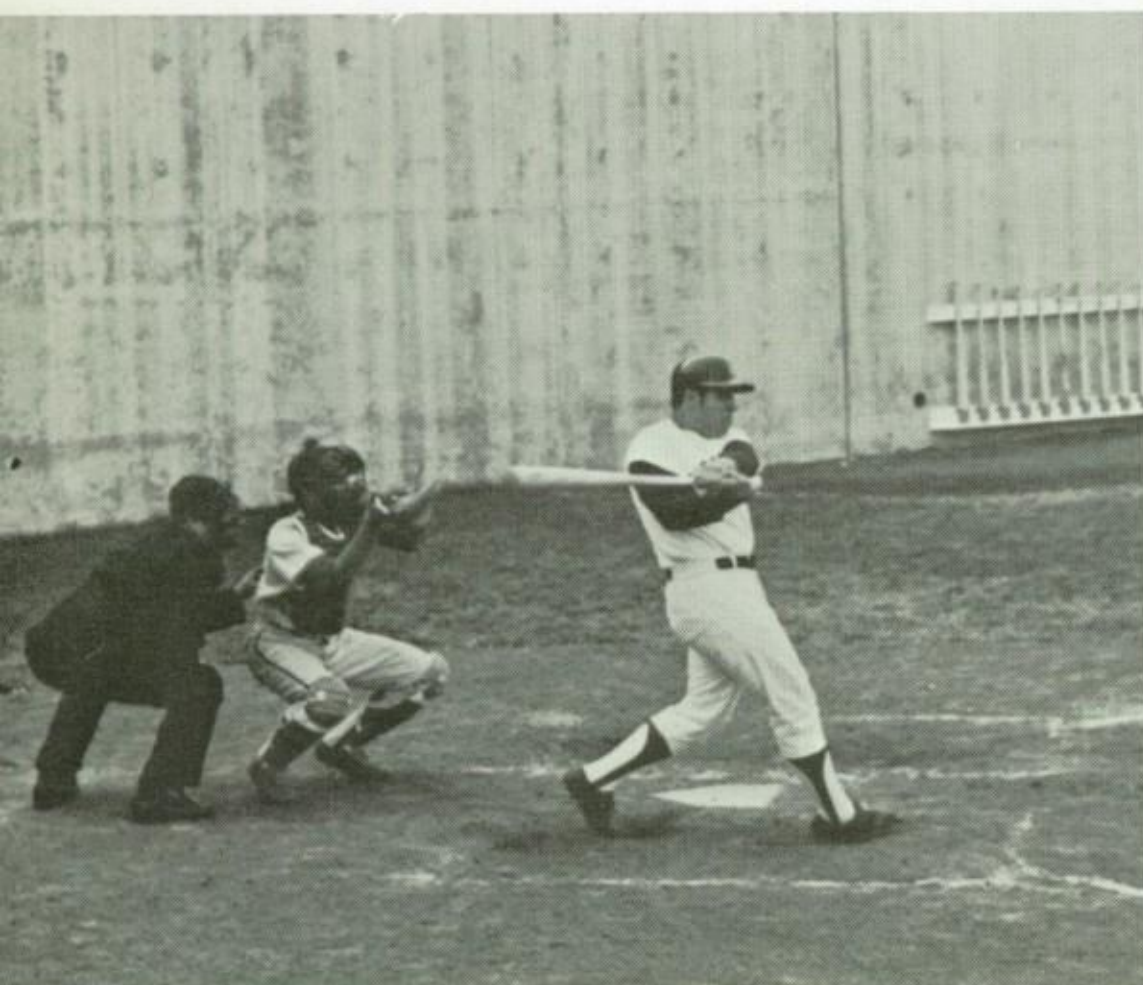

MAKING A MIGHTY REACH, a Marauder netter returns a slam.

RACKETMAN Rick Walker moves up close court in ever ready defense.

MHS FIRST BASEMAN, Jim Small, catches the ball in time.

COMPLETING HIS SWING, Tom Papadakis hopes for a hit.

MAURADER BASEMEN USED an affective back-up system which proved itself against Lennox.

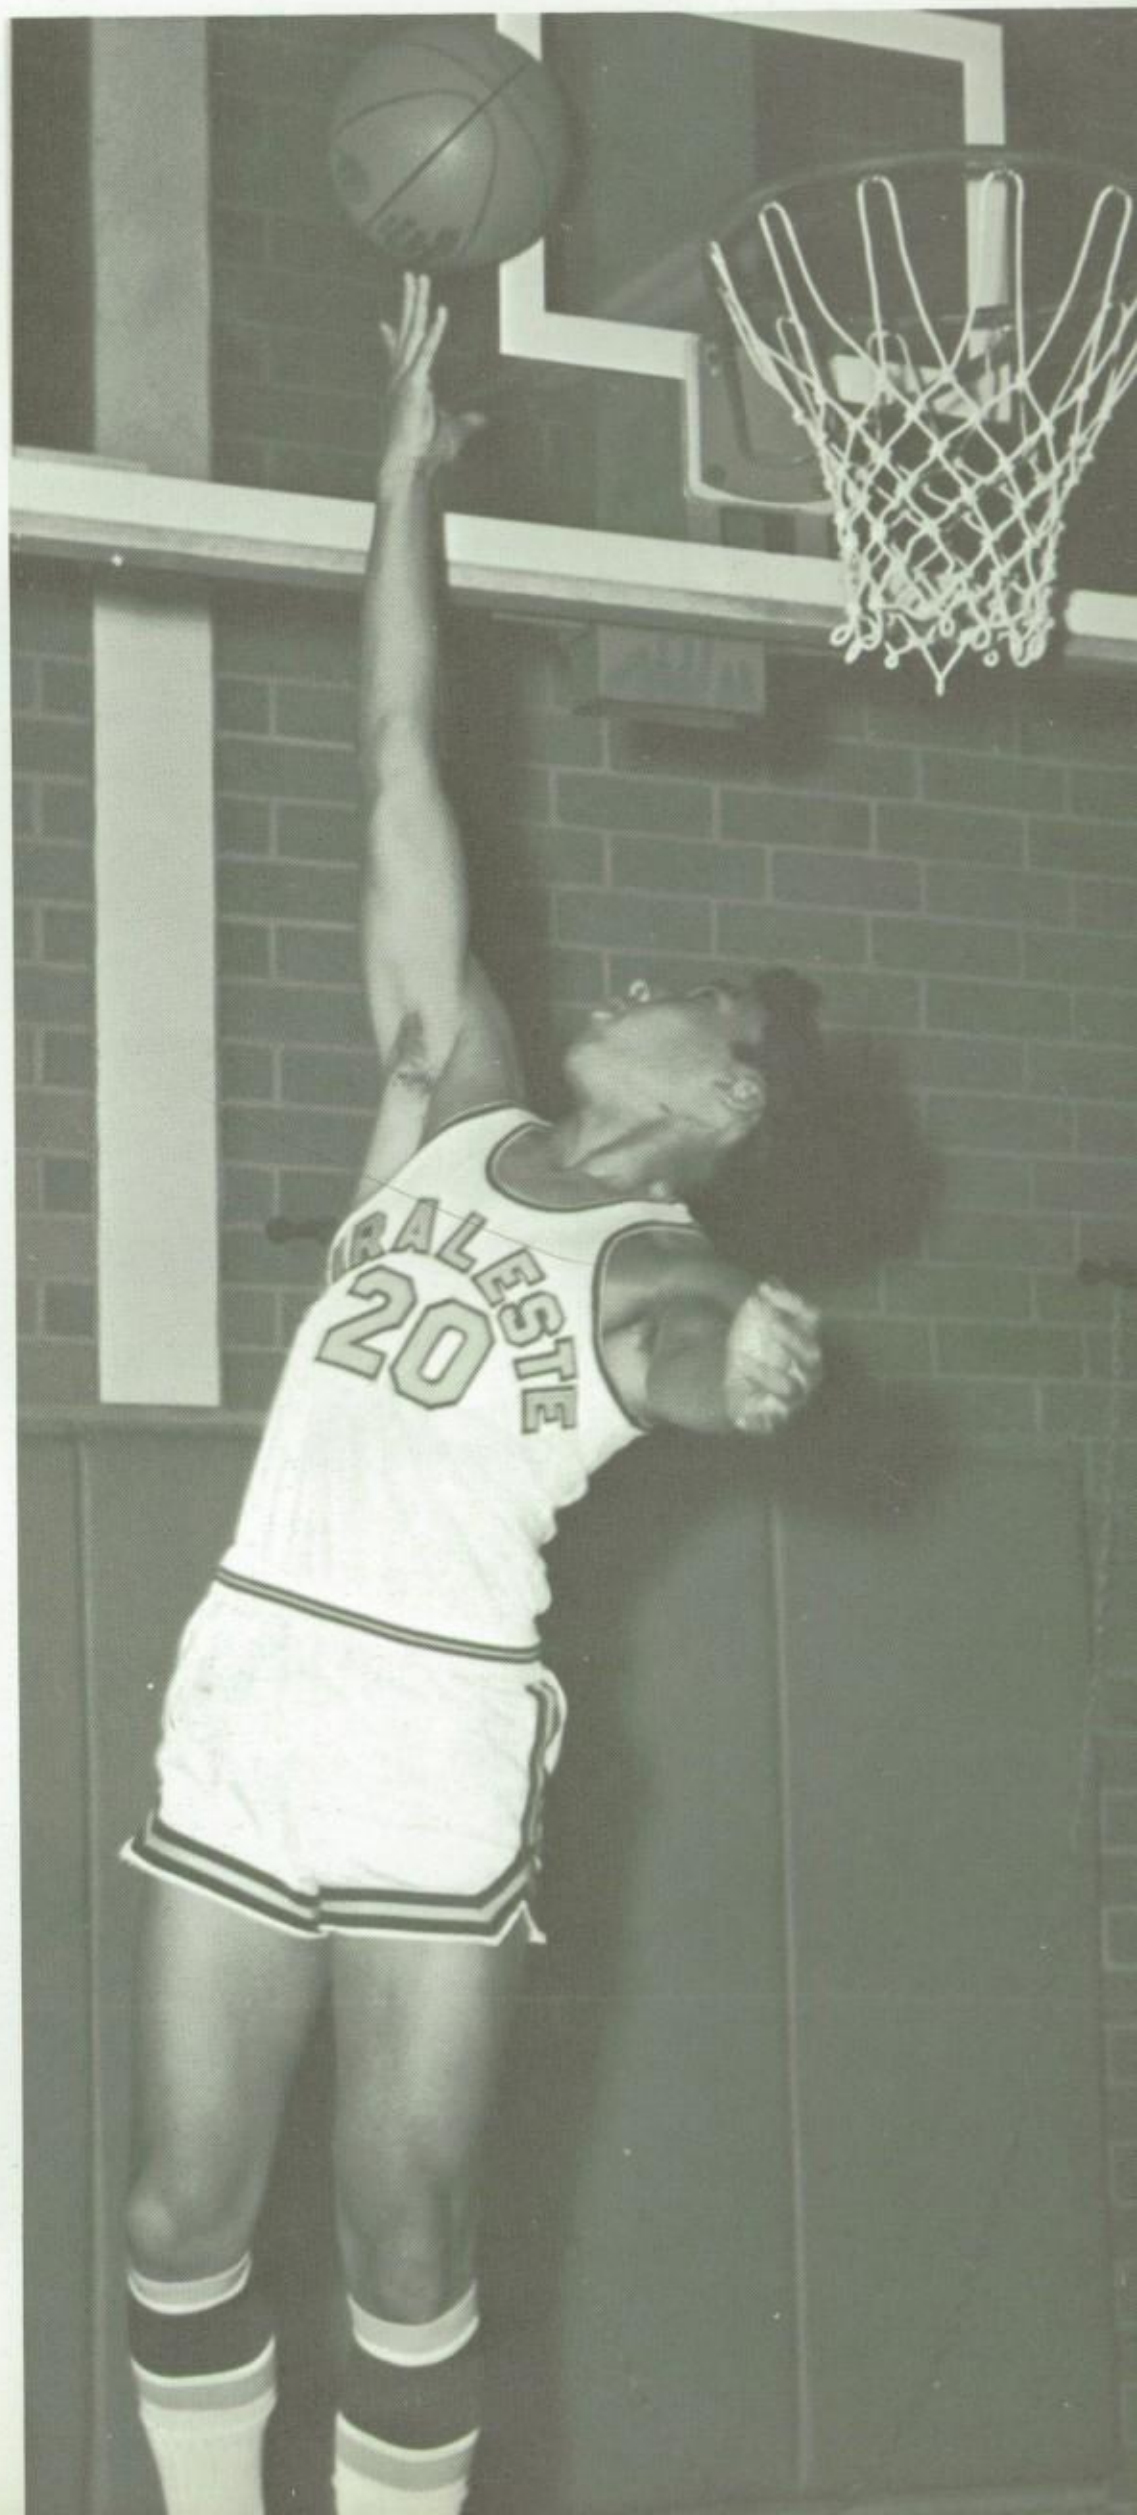

Varsity Baseball Team Drowns Sea Kings

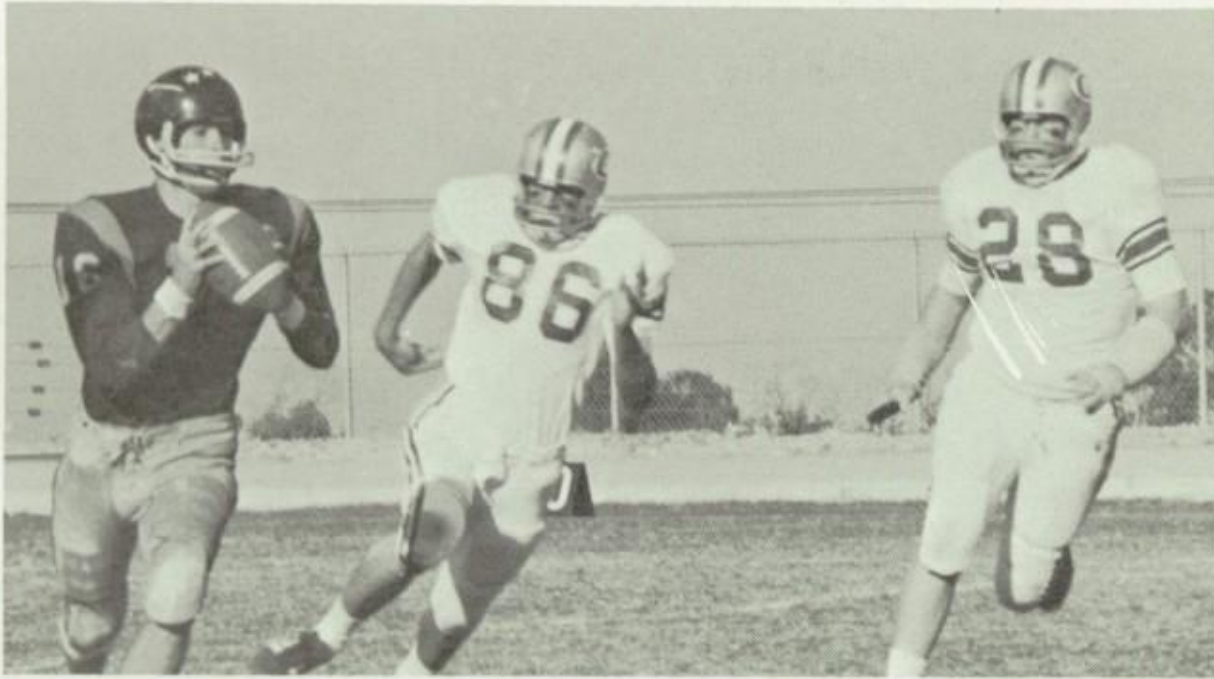

The varsity baseball team won its first league game against Lawndale. The victorious score was 11-5. Miraleste also defeated the non-league teams from Torrance and Los Amigos with scores of 4-1 and 9-5. One highlight of the season was the Marauder's 10-9 victory over Palos Verdes. The team took losses from Beverly Hills and El Segundo.

The Marauder varsity baseball coach was Mr. Tom Graves. Throughout most of the season, Carl Peternell led the MHS team with the highest batting average and number of homeruns. He also came through with several clutch performances. Other outstanding players who contributed to the success of the team were Larry Hoover and Steve Goettge.

PREPARING TO DELIVER a curve ball is Tom Papadakis.

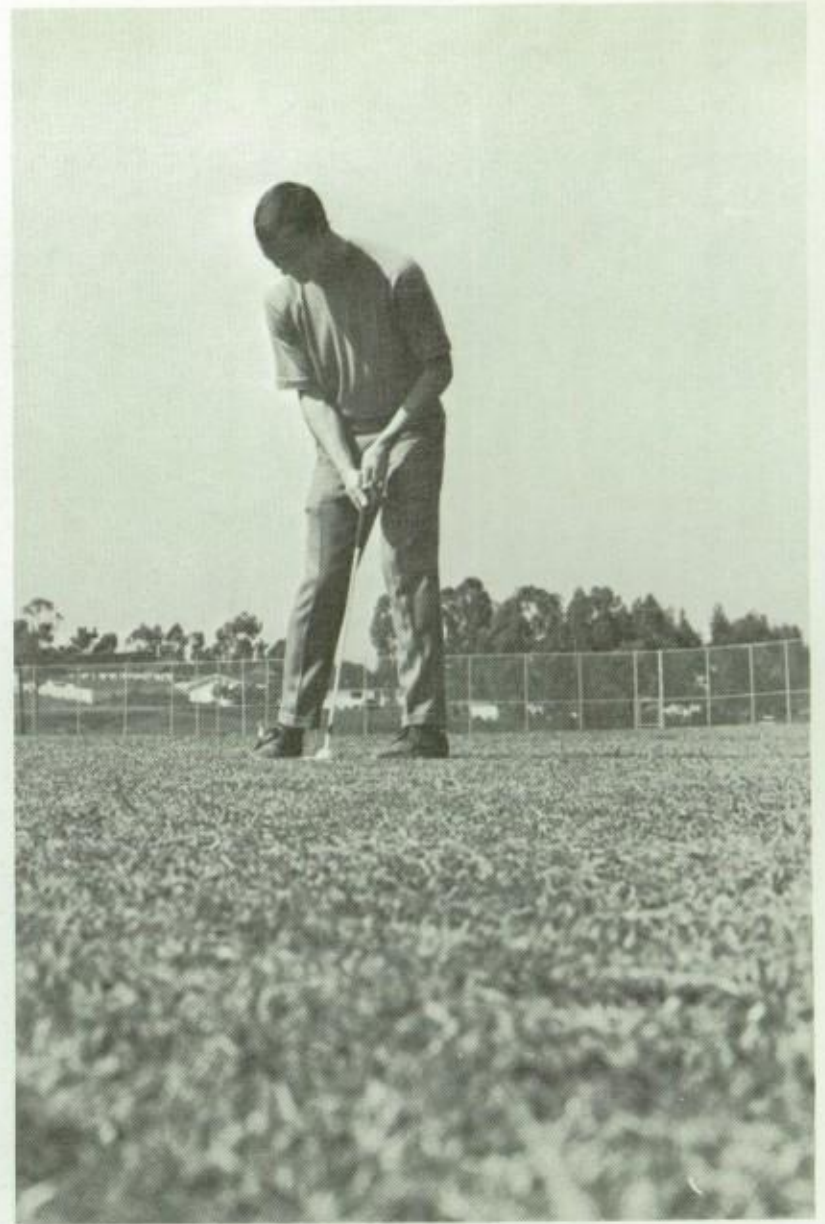

A GOLFER worth his "swing" can putt, says John Sturdivant.

Golf--Row 1: Rob Verman, John Sturdivant, Joe Tomich, Larry Nivens, Jeff Leyson, Ron Dorin, Mark Needham, Jay Mitchell, Box Fowell. Row 2--Coach Wilbur Lucas, Alex Menze, John Goodrich, Ken Bunde, Gary Quaintance, Wade Ramey, Tony Trull, Wallace Scott, Steve Sues.

MHS Golf Team Has Swinging Season

The Miraleste golf team, despite the handicap of not having a home course for practice and competition, finished a successful season with hopes of capturing fourth place in CIF finals.

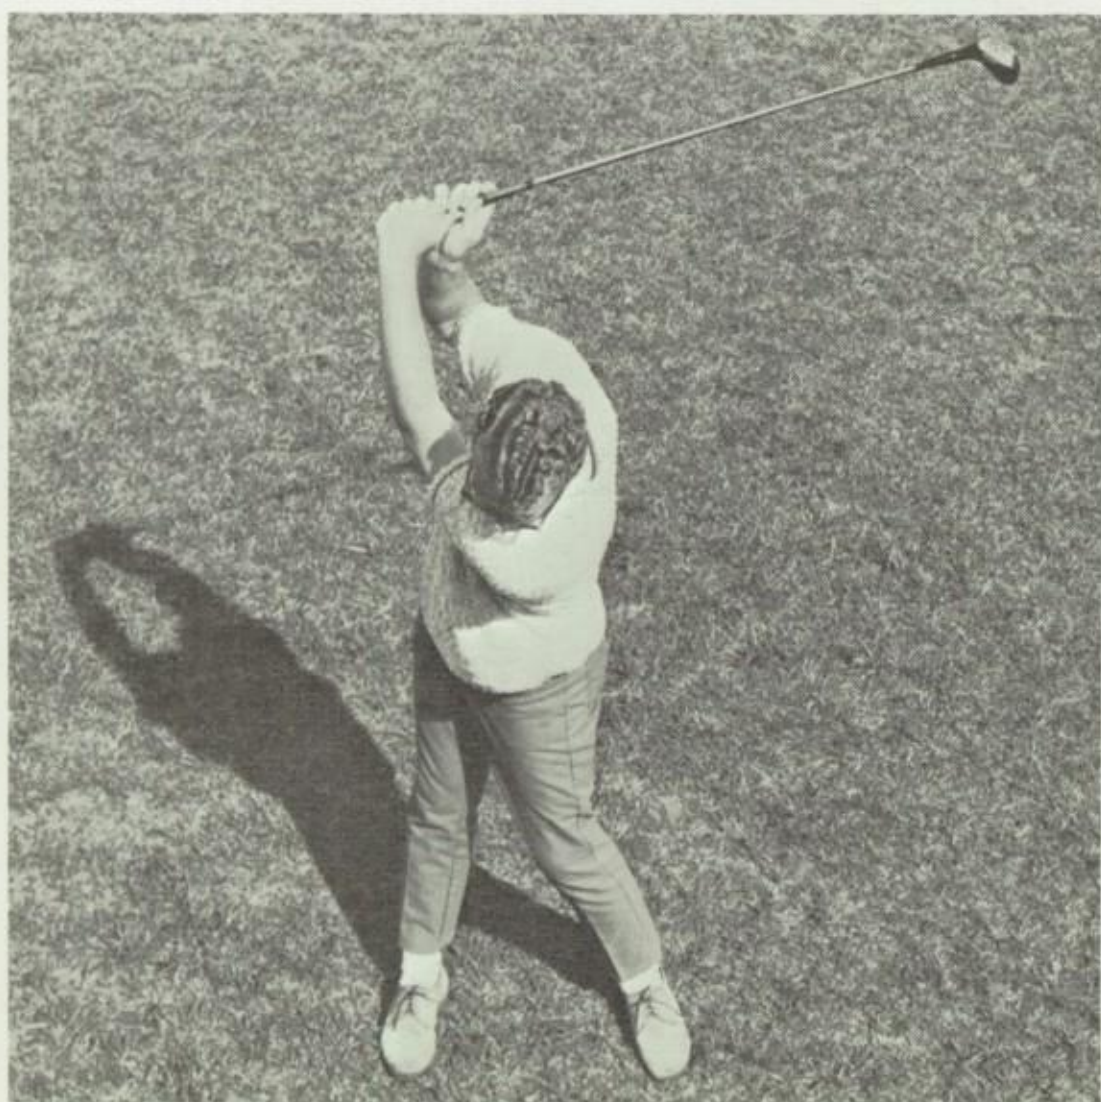

The varsity team, composed of John Goodrich, Wade Ramey, Tony Trull, Wallace Scott, John Sturdivant, and Larry Nivens, displayed a large amount of skill and accuracy throughout the season.

Varsity lost to Beverly Hills by a score of 194-215 and was defeated by Rolling Hills by only three strokes. Under the supervision of Coach Wilbur Lucas, the team finished a good season.

ACTION IS THE CALL of the moment as Wade Ramey swings his golf club.

CONCENTRATION often proves the deciding factor between a perfect and a so-so golf swing. Here, Wallace Scott gives it his all.

THE CLASSIC GOLF FORM of varsity golfer Tony Trull is shown in an unusual photo.

SKILLFULLY PREPARING to set the volleyball up for teammate Cathy Standard, Pam Blashaw hopes that she will be able to spike it over the net.

Girls' Athletic Association, sponsored by Mrs. Donna Essoe, entered interscholastic competition in the Pi-Sky league. The girls participated in three sports, volleyball, basketball and softball.

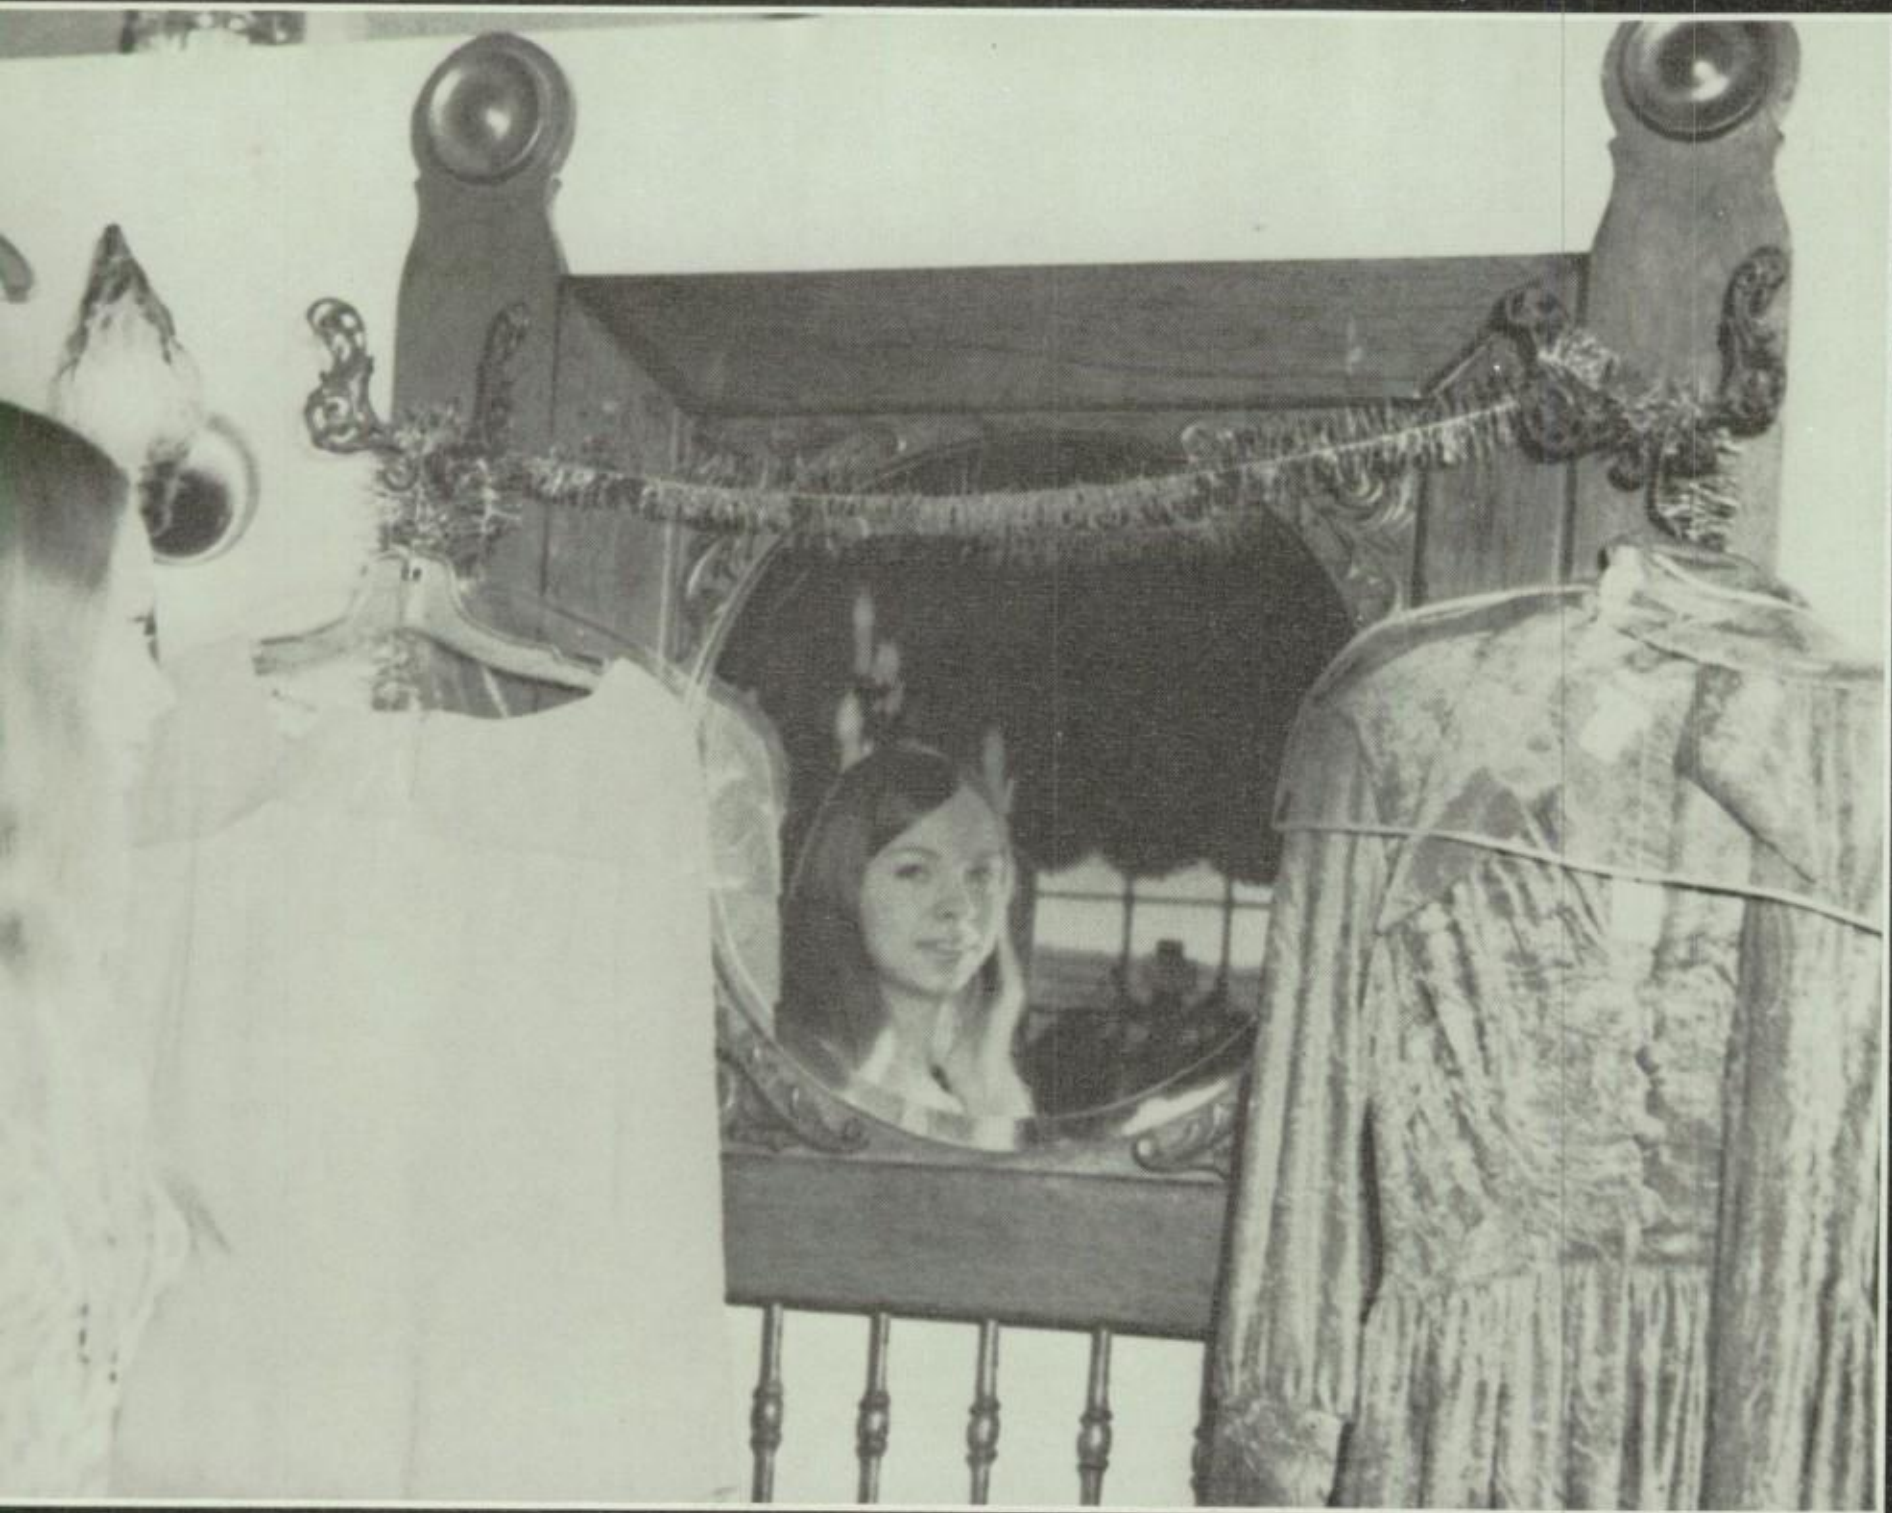

The GAA volleyball team, adeptly led by captain Pam Blashaw, saw a successful season. Miraleste defeated three of its rivals, Palos Verdes, Beverly Hills and Morningside. Kathy Boblak was chosen as the most valuable player on the team.

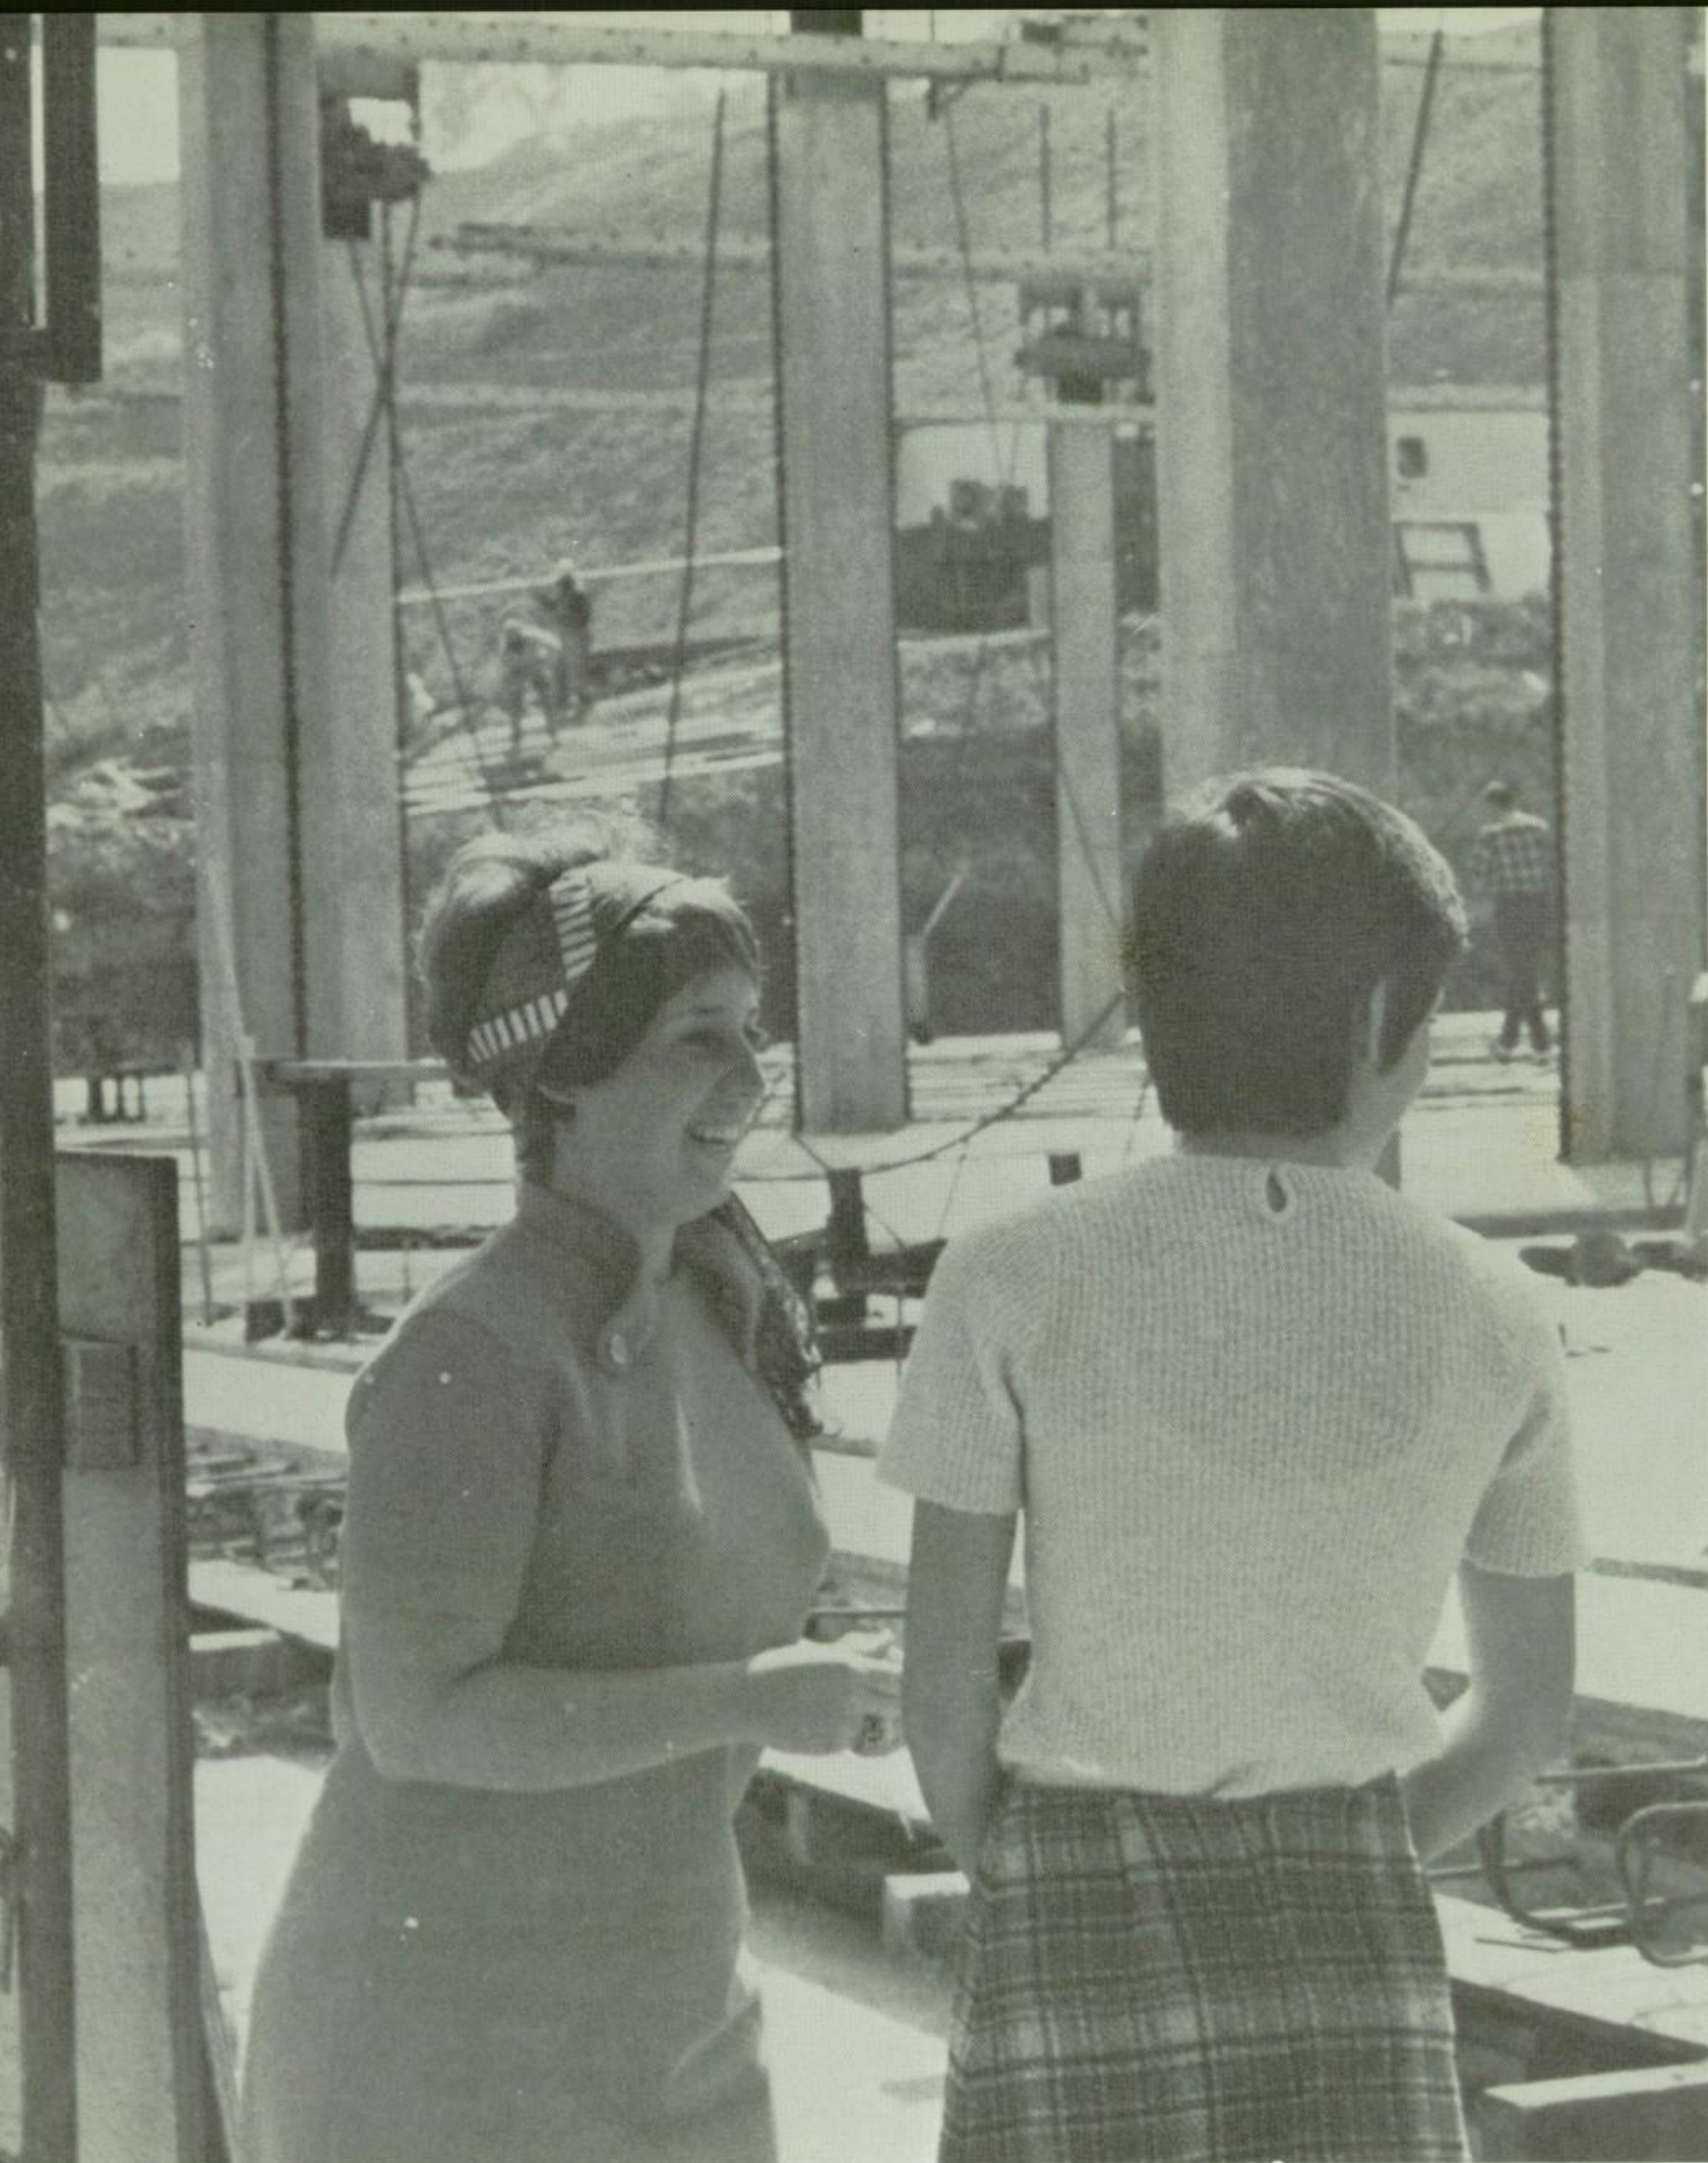

The girls' basketball team captured 3rd place in its Pi-Sky League competition. The season record was 5-4. Ann Murphy and Debbie Bacon were the team's co-captains. Ann Murphy was also selected as the most outstanding basketball player.

Lewis', 806-808 S. Pacific Avenue, San Pedro, 833-0319, is San Pedro's largest and finest apparel store. Betty Lou Van Acker and Chris Clinton get prepared for a long cold summer.

Buffums' Palos Verdes

Buffums' Palos Verdes, 51 Peninsula Center, P.V.P., 377-6737, carries a complete line of clothing for men, women and children, plus a variety of accessories. Girls especially love Buffums' teenage fashions. Debbie

Mitchell, Kathy Barrett and Eileen Fox model several of the available outfits. They can attest to the fact that shopping at Buffums' is a fun way to spend an afternoon.

Wanda Lance

Wanda Lance, 1725 S. Catalina, Redondo Beach, 378-7002. Fortunately, Marauders Allison Boswell and Laura Smillie try to hide from the camera. Unfortunately, they were unsuccessful.

Curt Wagner Interiors

Curt Wagner Interiors, 1729 S. Catalina, Redondo Beach, 378-6247. Miraleste's two world-famous tee totalers, Miss Nora Turner and Miss Abbe Nielson, find just the teapot they want to add to their collection.

Miraleste Chevron

Miraleste Chevron, 40 Miraleste Plaza, Miraleste, 832-9580, is conveniently located for Marauders who run out of gas on the way to school, (accidently, of course). Karen Hickman and Debby d'Assalenaux

make conversation with one of the friendly employees, Randy Farmer, as he puts gas in their car. Seated inside, Laura Smillie and Nancy McWhinnie wonder what they're missing out on.

Coldwell, Banker & Co.

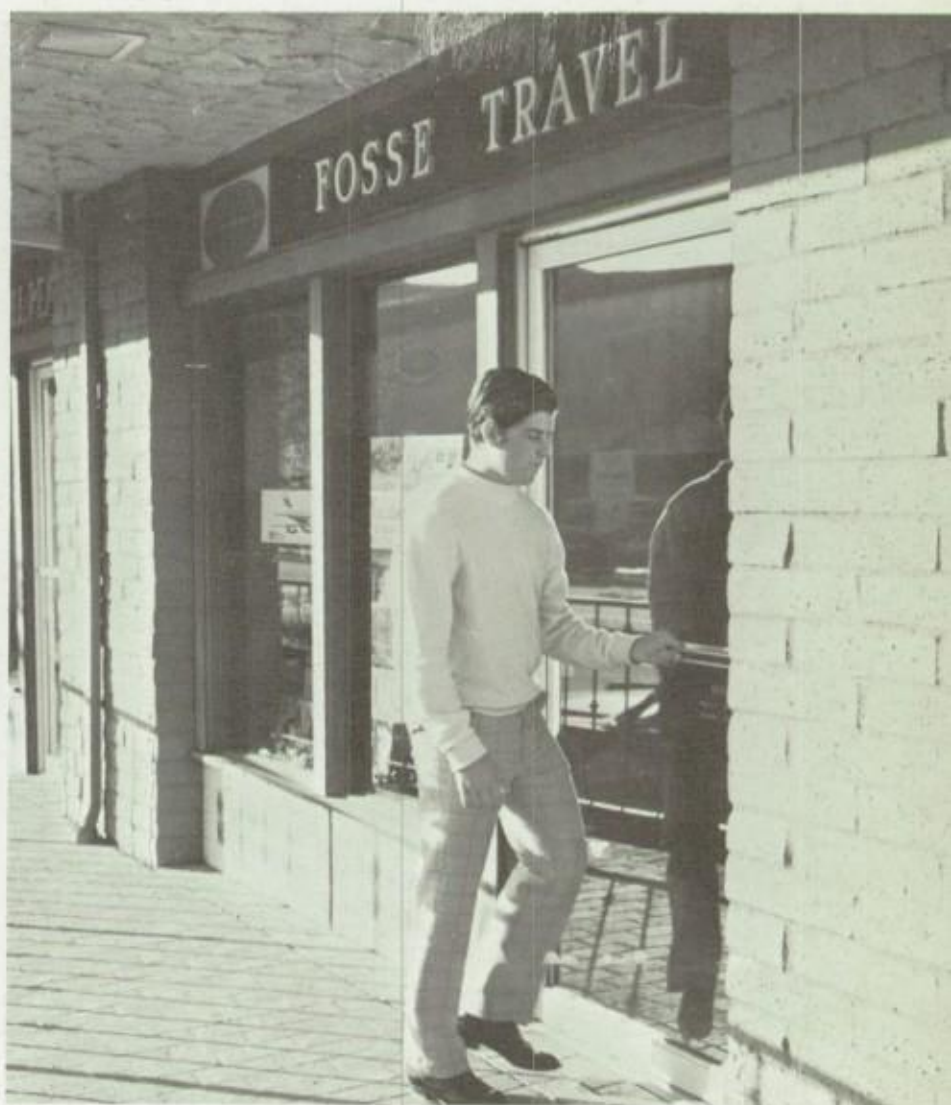

Coldwell, Banker & Co., 26510 Crenshaw Blvd., R.H.E., 541-2421, says "We put homes and people together". If you have a home to sell or lease, or are looking for a home to buy or lease, Coldwell, Banker & Co. Real-

tors will be able to help you. Employee Joe Linkogle shows Nancy McWinnie and Karen Hickman a sample of the available homes. Evidently, Nancy has found one that excites her.

Palos Verdes Peninsula News

Palos Verdes Peninsula News, Box 2400, P.V.P., 377-6877, provides assistance when Miraleste publishes its newspaper the TORREON. Court Heater and Bob Preece are fascinated as they watch printing procedures.

Fosse Travel Service

Fosse Travel Service, 916 Silver Spur Road, P.V.P., 377-6788, can help take you anywhere in the world. Miles Ghormley could use a little assistance before he walks into the wall.

Beltone Cleaners

Beltone Cleaners, 25402 Crenshaw Blvd., Torrance, 325-2511, offers fast cleaning service without sacrificing quality. Connie VanAmburgh delightedly gives Jacki Clark and Donna Brown the blouse they came for.

Le Dee Jae

Le Dee Jae for Fashions, 1611 W. 25th Street, San Pedro, 832-8657, carries purses, jewelry and other accessories to complete any outfit. Yvette Korody enjoys browsing through their dresses.

Tyler Printing Company

Tyler Printing Company Inc., 567 W. 5th Street, San Pedro, 541-3333. An employee explains the fascinatingly complex printing process to Jacki Clark, Donna Brown and Yvette Korody.

The EL MIRADOR staff is one big happy family.
 Get off the phone. It's for yearbook use only and I have to call my mom.
 Don't worry, in a hundred years there'll be all new people.
 Who's that cowering behind the cupboard?
 I'm not here today, please mark me absent.
 Five extra spreads is not a blessing.
 Exacto knifings may be hazardous your health.
 You think we're yelling now? Just wait until Friday!
 Drop it behind the cabinet, he'll never notice.
 Walla Walla what?
 A small liberal arts college is for small liberal minds.
 Is there anything I can do?
 Who's the editor this week?
 No, John S., you can't put THAT in a headline!
 A gentleman always lets a lady sit in the front seat.
 What do you want done with this film? DEVELOP IT!

Margins? What are they?
 He gave her what for Christmas?
 At least a nitwit is redeemable.
 Proper young ladies do not...
 Ignore her, maybe she'll go away.
 Roller Skating does wonders for your psyche!
 That's funny, I didn't know SHE was the editor!
 Why are you rummaging through my very own private file?
 Anyone who goes to Marymount can't be all bad.
 The guy from Brophy is doing what?
 If you don't shut up, I'll give you ringworm!
 I feel like I spent the night in my locker.

Hey, Mort! Your mother called.
 I wanna go home!
 Keys? What Keys?
 To hell with controversy!
 Camarillo, here we come...
 Poor Baby...
 What's a mouth disease?
 We tried, really we did!
 Don't worry, she'll grow out of it.
 Ad trips give you cavities.
 I think we've corrupted him.
 Happy Birthday to you!!!

Excuse us, but we have to dismantle your room now!
 I think I'm allergic to deadlines!
 I can stay any night you need me, except...
 A jigsaw puzzle outlining what?
 What do you want, Nora? Coffee, tea or R.C.?
 Trust me...

God bless you please, Mrs. Magnuson!
 Do not put up picture requests without seeing BILL MURRAY first!
 I am NOT a photographer!
 You're pushing...
 Carol, we lost our deadline.
 Beware of the 1st of April.
 I can't smile, I have funny teeth!
 Ulcer, ulcer, who's got the ulcer?
 Unity, Unity. Wherefore art thou, Unity?
 He's got an acute case of the wishy-washies.
 Someday we'll go down in history for dried rubber cement balls.

*Laugh World,
People Are Drowning in
Your Tears. —Carol*
